Safety Instruction Guide for Primer Seater Assembly for CoAx

Introduction

Thank you for choosing the Primer Seater Assembly for CoAx by Forster Products, Inc. This product is designed for use with the Forster CoAx Press and is a direct replacement part for the Primer Seater Assembly. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product specifications.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling or using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local regulations and guidelines for the safe use of reloading equipment.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended load limits when using the CoAx Press.
- Ensure that the workspace is clean and free from obstructions to prevent accidents.
- Avoid using the product in wet or damp conditions.
- Do not use the product if you are under the influence of drugs or alcohol.
- Ensure that all components are properly installed and secured before operation.
- Be aware of your surroundings and ensure that bystanders are at a safe distance while using the product.

Instructions for Installation and Usage

1. Installation:

- Unpack the Primer Seater Assembly and inspect for any visible damage.
- Refer to the CoAx Press manual for specific installation instructions.
- Align the Primer Seater Assembly with the designated mounting points on the CoAx Press.
- Securely fasten the assembly using the provided hardware, ensuring that all connections are tight.

2. Usage:

- Before starting, ensure that the CoAx Press is on a stable and level surface.
- Load the appropriate primer into the Primer Seater Assembly according to the manufacturer's specifications.
- Operate the CoAx Press following the instructions provided in the CoAx Press manual.
- Monitor the operation closely to ensure that everything is functioning correctly.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the Primer Seater Assembly is no longer in use or has reached the end of its life, dispose of it responsibly. Check local regulations for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the Primer Seater Assembly for CoAx, please reach out to the appropriate contact point as specified in the product documentation. Ensure that you have the product details available for reference.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Primer Seater Assembly for CoAx. Always prioritize safety and consult the appropriate resources if you have any questions or concerns. Thank you for your attention to these important safety guidelines.
