Safety Instruction Guide for PRIMER SEATER ASSEMBLY FOR COAX

Introduction

Thank you for choosing the PRIMER SEATER ASSEMBLY FOR COAX by Forster Products, Inc. This product is designed to enhance your reloading experience with the Forster CoAx Press. Please read this safety instruction guide carefully to ensure safe and effective use of the product. Adhering to these guidelines will help prevent accidents and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all components are properly assembled and maintained before use.
- Always use the product in a wellventilated area to avoid inhaling any dust or particles.
- Keep the work area clean and organized to minimize the risk of accidents.
- Store the product in a safe place, out of reach of children and pets.
- Regularly inspect the product for wear and tear. Replace any damaged parts immediately.
- Follow all manufacturer instructions regarding the use and maintenance of the Forster CoAx Press and its components.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the primer seater assembly may lead to injury.
 - Risk of eye injury from debris or primer residue.
 - Potential for finger injury if hands are placed near moving parts during operation.
- **Avoiding Hazards:**
 - Always wear safety glasses when using the primer seater assembly.
 - Keep hands away from the moving parts during operation.
 - Do not exceed the recommended load limits for the primer seater assembly.
 - Ensure that the work area is free from distractions and hazards.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18.
 - Ensure that inexperienced users are supervised by a knowledgeable adult when using this product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Forster CoAx Press is unplugged before installation.
- Remove the existing primer seater assembly if applicable.
- Carefully align the new primer seater assembly with the press and secure it according to the manufacturer's instructions.
- Check that all screws and fasteners are tightened properly before use.

2. Usage:

- Load the primer into the seater assembly as per the manufacturer's guidelines.

- Position the cartridge case under the seater assembly.
- Engage the press handle to seat the primer into the cartridge case.
- Inspect the seated primer to ensure it is flush with the case head.
- Repeat the process for additional cartridges as needed.

Disposal Instructions

- Dispose of any damaged or worn components according to local regulations.
- Do not dispose of primers or other reloading materials in regular household waste.
- Contact your local waste management authority for information on safe disposal methods.

Contact Information for Further Support

For inquiries regarding safety or product issues, please refer to the contact information provided with your product packaging or visit the manufacturer's official website.

By following these safety instructions, you can help ensure a safe and effective experience with the PRIMER SEATER ASSEMBLY FOR COAX. Always prioritize safety and stay informed about best practices for using reloading equipment. Thank you for your attention to these important guidelines.
