FORSTER CASE NECK GRAPHITER REPLACEMENT BRUSHES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Forster Case Neck Graphiter Replacement Brushes. These durable nylon brushes are designed to effectively spread White (Graphite) Motor Mica onto your cartridge cases. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product.

General Safety Guidelines

- Always read and follow the instructions before using the product.
- Keep the brushes out of reach of children and pets to prevent accidental ingestion or injury.
- Inspect the brushes regularly for any signs of damage or wear before each use.
- Do not use the brushes for any purpose other than intended.
- Store the brushes in a cool, dry place away from direct sunlight to maintain their integrity.

Specific Safety Precautions for Use

- Use the appropriate size brush for your caliber:
 - Small (22 caliber)
 - Medium (270 caliber)
 - Large (35 caliber)
- Avoid excessive force when applying the brush to prevent damage to the brush or cartridge case.
- Ensure that the brush is securely threaded onto the Forster Case Neck Graphiter before use.
- Do not use the brushes if they show signs of fraying or damage.
- If you experience any allergic reactions while using the product, discontinue use immediately and consult a medical professional.

Instructions for Installation and Usage

1. Selecting the Right Brush:

- Choose the appropriate brush size based on your cartridge caliber.

2. Attaching the Brush:

- Thread the selected brush onto the Forster Case Neck Graphiter securely.

3. Applying Motor Mica:

- Dip the brush into the White (Graphite) Motor Mica.
- Gently apply the mica to the inside neck of the cartridge case using a smooth, even motion.
- Avoid oversaturating the brush to prevent excess mica from spilling.

4. Cleaning the Brush:

- After use, clean the brush with a mild detergent and water to remove any residue.
- Allow the brush to air dry completely before storing.

Disposal Instructions

- Dispose of the brushes according to local regulations for plastic waste.

- Do not incinerate the brushes as they may release harmful substances.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the contact information provided by the manufacturer or retailer at the time of purchase.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with your Forster Case Neck Graphiter Replacement Brushes. Always prioritize safety and take necessary precautions when handling any tools or products related to reloading. Thank you for your attention to these guidelines.
