Safety Instruction Guide for Forster Case Neck Graphiter Replacement Brushes

Introduction

Thank you for choosing the Forster Case Neck Graphiter Replacement Brushes. These durable nylon brushes are specifically designed to effectively apply White (Graphite) Motor Mica to your cartridge cases. This guide provides essential safety information and instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Keep the brushes out of reach of children and vulnerable individuals to prevent accidental injury or misuse.
- Regularly inspect the brushes for wear and damage. Do not use if any part is broken or worn out.
- Follow all local regulations regarding the handling and disposal of materials used with the brushes.

Specific Safety Precautions for Use

- Always wear safety glasses when using the brushes to protect your eyes from any potential splashes of the graphite motor mica.
- Use the brushes in a wellventilated area to avoid inhaling any dust or particles.
- Do not apply excessive force when using the brushes; this can lead to bristle damage or injury.
- Avoid using the brushes on hot surfaces or near open flames.

Instructions for Installation and Usage

1. Selecting the Right Brush:

- Choose the appropriate brush size based on your cartridge case caliber:
 - Small (22 caliber)
 - Medium (270 caliber)
 - Large (35 caliber)

2. Installing the Brush:

- Ensure that the Forster Case Neck Graphiter is clean and free from debris.
- Thread the selected brush into the Forster Case Neck Graphiter until secure.

3. Applying the Graphite Motor Mica:

- Dip the brush into the White (Graphite) Motor Mica, ensuring it is evenly coated.
- Insert the brush into the cartridge case and turn gently to spread the mica evenly.
- Remove the brush and clean it after use to maintain its effectiveness.

4. Cleaning and Maintenance:

- After each use, clean the brush with a suitable solvent to remove any residue.
- Store the brushes in a cool, dry place to prolong their lifespan.

Disposal Instructions

- Dispose of brushes that are worn out or damaged according to local waste management regulations.
- Do not dispose of brushes in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Forster Case Neck Graphiter Replacement Brushes, please contact the EUbased customer service as indicated on the product packaging or your receipt.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
