APOLLO LR COMPENSATOR 5/8X24

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The APOLLO LR Compensator is Ultradyn's answer for the long-range fanatic. This compensator steps it up a level by reducing recoil and muzzle rise. This Apollo LR Compensator has a 5/8x24 barrel thread and works perfectly with standard long-range calibers, but also tames the magnum calibers that many long-range shooters depend on. The effectiveness that Apollo LR provides gives a shooter the ability to see bullet splash at long distances like never before, even with magnum calibers. Gases are strategically diverted away from the shooter and out of the shooter's line of sight. With the Apollo LR, magnum calibers are now stress free to shoot. ULTIMATE RECOIL REDUCTION Class-leading performance. ELIMINATES MUZZLE RISE 100% CNC MACHINED IN THE USA 416 Stainless Steel with ultra-rugged salt bath nitride finish. APOLLO LR 7MM COMPENSATOR SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the APOLLO LR 7MM Compensator. This product is designed to enhance your shooting experience by reducing recoil and muzzle rise. To ensure safe and effective use of the compensator, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the compensator is properly installed before use.
- Use only compatible ammunition as specified in the product description.
- Keep the compensator and firearm away from children and unauthorized users.
- Regularly inspect the compensator for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **Recoil Management:** The APOLLO LR Compensator significantly reduces recoil. However, it is essential to maintain a firm grip on your firearm while shooting.
- **Muzzle Control:** Always ensure that the muzzle is pointed in a safe direction when handling the firearm.
- **Shooting Environment:** Be aware of your surroundings and ensure you have a clear line of sight when firing.
- **Hearing Protection:** Always wear appropriate hearing protection when shooting to prevent hearing damage from loud noises.
- **Eye Protection:** Use safety glasses to protect your eyes from debris and gases expelled during firing.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle firearms. Ensure that minors are supervised by a responsible adult.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before installation, make sure your firearm is unloaded and pointed in a safe direction.
2. **Thread Compatibility:** Check that your firearm has a 5/8x24 barrel thread to ensure compatibility with the APOLLO LR Compensator.
3. **Attach Compensator:**
 - Align the compensator with the barrel threads.
 - Handtighten the compensator onto the barrel until secure.
 - Use a wrench to tighten further if necessary, but do not overtighten to avoid damage.
4. **Check Alignment:** Ensure the compensator is aligned properly and does not obstruct the line of sight.

Usage

- **Load Ammunition:** Use only the specified calibers: 7mm Rem Mag, 7mm WSM, 7mm Wby Mag, 7mm RUM, 7mm08 Rem, 284 Win, 280 Rem, 270 Win, 270 WSM, 270 Wby Mag, or 6.8 Rem SPC.
- **Shooting Position:** Assume a stable shooting stance with both hands firmly on the firearm.
- **Firing:** Squeeze the trigger gently and maintain control of the firearm throughout the shot.
- **PostFiring Check:** After firing, check the compensator for any signs of damage or loosening.

Disposal Instructions

- Dispose of the APOLLO LR Compensator in accordance with local regulations regarding firearm accessories.
- Do not dispose of the compensator in regular household waste.
- If the compensator is damaged or no longer in use, consider recycling options available in your area.

Contact Information for Further Support

For questions or concerns regarding the APOLLO LR 7MM Compensator, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your APOLLO LR 7MM Compensator. Always prioritize safety and adhere to local regulations when handling firearms and accessories.
