

ZEROED SV 2.0 MUZZLE BRAKE - CMMG ZEROED 6.5MM SV 2.0 MUZZLE BRAKE 5/8X24

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

ZEROED Muzzle Brake 5.56mm The CMMG® ZEROED™ Muzzle Brake features angled ports that provides excellent recoil control and minimizes muzzle rise. This allows for faster return to target for more accurate follow-up shots and creates a more enjoyable shooting experience. Designed for 5.56mm and has 1/2x28 threads. Made from 4140 Steel with a Nitride finish, the ZEROED Muzzle Brake has the durability and attention to detail that all CMMG products are known for. Includes: Muzzle Brake 5.56mm | 1/2-28 Crush Washer

ZEROED SV 2.0 Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the CMMG® ZEROED™ Muzzle Brake. This guide provides essential safety instructions and usage information to ensure you enjoy a safe and effective shooting experience. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used only with compatible firearms.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the muzzle brake out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure the firearm is unloaded when installing or adjusting the muzzle brake.
- Avoid using the muzzle brake in conditions where it may become damaged, such as extreme heat or exposure to corrosive materials.
- Do not modify the muzzle brake in any way, as this may compromise its safety and effectiveness.
- Be aware of your shooting environment and ensure a safe backdrop.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the threads on the barrel to remove any debris or old thread sealant.
- Screw the ZEROED Muzzle Brake onto the barrel by hand until snug.
- Use a wrench to tighten the muzzle brake, ensuring it is secure but not overtightened.
- Install the 5/824 crush washer if applicable, following the manufacturer's guidelines.

2. Usage:

- After installation, ensure that the muzzle brake is secure before each use.
- Fire the firearm in a controlled environment, following all local laws and regulations.
- Monitor the performance of the muzzle brake during use. If any unusual sounds or behaviors are noticed, cease use immediately and inspect the device.

Disposal Instructions

- Dispose of the ZEROED Muzzle Brake in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the ZEROED Muzzle Brake, please contact the manufacturer or your point of purchase for assistance. Ensure you have your product information available when seeking support.

Thank you for your attention to these safety guidelines. By following these instructions, you help ensure a safe and enjoyable shooting experience with your CMMG® ZEROED™ Muzzle Brake.
