# Safety Instruction Guide for AR15 UltraLight Forward Assist

## Introduction

Thank you for choosing the AR15 UltraLight Forward Assist from V SEVEN Weapon Systems. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the product with care to prevent accidents and injuries.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the forward assist.
- Use only compatible parts and accessories with the AR15 platform.
- Avoid using the product in extreme environmental conditions that may affect its performance.
- Do not attempt to modify or alter the product in any way, as this can lead to malfunction or injury.
- Wear appropriate protective gear, such as safety glasses, while handling the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools and components required for installation.

### 2. Installation:

- Remove the existing forward assist from your AR15, if applicable.
- Align the AR15 UltraLight Forward Assist with the designated mounting area on your firearm.
- Securely attach the forward assist using the provided spring and pin.
- Ensure that all connections are tight and that the forward assist operates smoothly.

### 3. Usage:

- To use the forward assist, gently press the forward assist button to ensure the bolt is fully seated.
- Do not force the button if it does not engage easily, as this may indicate a malfunction.
- Regularly check the functionality of the forward assist during routine firearm maintenance.

### 4. PostInstallation Check:

- After installation, perform a function check to ensure that the forward assist operates correctly.
- Verify that the firearm cycles properly with the new forward assist installed.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations and guidelines for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 UltraLight Forward Assist, please refer to the manufacturer's website or customer service resources for assistance. Always ensure you have the most current information and support available.

By following these guidelines, you can help ensure a safe and effective experience with your AR15 UltraLight Forward Assist. Thank you for your attention to safety and compliance.
