# EXTENSION TUBE NUT Safety Instruction Guide

## Introduction

Thank you for choosing the EXTENSION TUBE NUT by Nordic Components. This product is designed to securely attach extension tubes to compatible shotgun models, ensuring reliable performance. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.
- Be aware of your surroundings and ensure that the firearm is in a safe condition before installation or use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the extension tube nut.
- Use only compatible extension tubes as specified in the product description.
- Do not modify the extension tube nut or any associated components.
- Avoid using excessive force during installation to prevent damage to the firearm or the product.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (if any) for installation.

### 2. Installation

- Locate the magazine tube on your compatible shotgun model (Winchester Gold 12, Super X2, SLP, SLP Mark 1, Super X3, SX4).
- Align the extension tube nut with the magazine tube.
- Handtighten the nut onto the magazine tube until secure. Do not overtighten.
- Ensure that the extension tube is properly attached and does not wobble.

### 3. Usage

- After installation, check that the extension tube functions correctly with the firearm.
- Regularly inspect the connection between the extension tube and the magazine tube during use.

### 4. Removal

- To remove the extension tube nut, ensure the firearm is unloaded.
- Unscrew the nut by hand, turning it counterclockwise.
- Store the nut in a safe place when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum material if facilities are available.

## **Contact Information for Further Support**

For any inquiries regarding the EXTENSION TUBE NUT, please consult the manufacturer's official website or customer support resources. It is essential to have an EUbased contact for safety inquiries, ensuring compliance with the EU General Product Safety Regulation.

By following these guidelines, you can ensure safe and effective use of the EXTENSION TUBE NUT. Thank you for your attention to safety and for choosing Nordic Components.
