

BLAST DIVERSION SHIELD MUZZLE BREAK - JMAC CUSTOMS BLAST DIVERSION SHIELD 20 MUZZLE BREAK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

JMAC's BDS Blast Diversion Shield was co-developed with JMAC's RRD-2C X series of muzzle brakes with external threads. This blast shield threads over JMAC's 2C X and diverts the blast forward, reducing side blast/concussion. In addition to threading over the RRD-2C X, the BDS can also be used with a wide range of suppressor adapters/mounts. Blast shield does NOT include any mounts!

BLAST DIVERSION SHIELD MUZZLE BREAK Safety Instruction Guide

Introduction

Thank you for choosing the JMAC CUSTOMS BLAST DIVERSION SHIELD MUZZLE BREAK (BDS). This product is designed to enhance your shooting experience by diverting blast forward and reducing side blast/concussion. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is compatible with your muzzle brake before installation.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms equipped with the BDS.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the BDS for any signs of wear or damage before each use.
- Do not modify the BDS or use it in any manner not specified in this guide.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before attaching or detaching the BDS.
- Use only with JMAC's RRD2C X series muzzle brakes or compatible suppressor adapters/mounts.
- Avoid using the BDS in environments where it may cause a hazard to others, such as crowded areas.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.
- Follow all local laws and regulations regarding the use of firearms and muzzle devices.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove any existing muzzle device from the firearm.
- Thread the BDS onto the muzzle brake (RRD2C X) by aligning the threads and turning it clockwise until securely attached.
- Ensure the BDS is properly seated and does not wobble.

2. Usage:

- Before firing, doublecheck that the BDS is securely attached.
- Fire the firearm in a safe and controlled environment.
- Monitor for any unusual sounds or movement during use, indicating a potential issue with the BDS.

3. PostUsage:

- After use, remove the BDS from the muzzle brake by turning it counterclockwise.
- Clean the BDS and the muzzle brake as necessary, following the manufacturer's cleaning guidelines.

Disposal Instructions

- Dispose of the BDS in accordance with local regulations regarding metal and firearm accessories.
- If the product is damaged or no longer in use, consider recycling it where applicable.

Contact Information for Further Support

For safety inquiries or additional support regarding the BDS, please reach out to the EUbased contact provided with your product.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy your shooting experience with the JMAC CUSTOMS BLAST DIVERSION SHIELD MUZZLE BREAK!
