

RECOIL REDUCTION DEVICE 2 PORT COMPENSATOR 14 SLIM 14-1LH - JMAC CUSTOMS RRD 2 PORT COMPENSATOR 14 SLIM 14-1LH

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

A SLIM & COMPACT version of JMac's ever so popular RRD-4C. The RRD-2C is a shortened version of their popular RRD-4C muzzle brake. The RRD-2C was created by removing the 2 smallest ports from the RRD-4C, creating a more compact package while still maintaining the ability to mitigate recoil. Product Specs: Weight: 1.23 Ounces 14-1LH Threads 10mm Bore 17-4ph Stainless Steel Black Nitride Not intended or recommended for barrels shorter than 10.5" When testing these devices, JMac found that high rates of fire such as full auto or "mag dumps" could cause damage to the device due to the excess heat, pressure, and gasses from unburnt powder on shorter barrels.

Attributes

- Name: [JMAC CUSTOMS RRD 2 PORT COMPENSATOR 14 SLIM 14-1LH](#)
- Manufacturer: [JMAC CUSTOMS](#)
- Product no.: 100800108

RECOIL REDUCTION DEVICE 2 PORT COMPENSATOR 14 SLIM 141LH Safety Instruction Guide

Introduction

Thank you for choosing the RECOIL REDUCTION DEVICE 2 PORT COMPENSATOR 14 SLIM 141LH by JMAC CUSTOMS. This device is designed to enhance your shooting experience by mitigating recoil. However, it is essential to follow safety guidelines to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before use.
- Always treat the device as if it is loaded, even when you believe it is not.
- Keep the device out of reach of children and unauthorized users.
- Regularly inspect the device for any signs of wear or damage.
- Do not use the device if it shows any signs of damage or malfunction.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The RECOIL REDUCTION DEVICE is not intended for barrels shorter than 10.5 inches.
- High rates of fire, such as full auto or "mag dumps," may cause damage to the device due to excess heat, pressure, and gases from unburnt powder.
- Always use the device in a wellventilated area to avoid inhaling fumes.
- Wear appropriate eye and ear protection when using firearms equipped with this device.
- Do not modify the device in any way, as this can compromise its safety and effectiveness.
- Be aware of your surroundings and ensure that you have a safe backdrop when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device (if applicable) using the appropriate tools.
- Clean the muzzle threads of the firearm to remove any debris or residue.
- Align the RECOIL REDUCTION DEVICE with the threads of the firearm.
- Handtighten the device onto the barrel, ensuring it is secure but not overly tightened.
- Use a wrench to further tighten the device if necessary, following the manufacturer's torque specifications.
- Ensure that the device is securely fastened before use.

2. Usage:

- Always follow safe handling practices when using firearms.
- Test the device in a controlled environment to assess its performance.
- Monitor the device for any signs of wear or damage after use.

Disposal Instructions

- Dispose of the RECOIL REDUCTION DEVICE in accordance with local laws and regulations.
- Do not dispose of the device in regular household waste.
- Contact a local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the RECOIL REDUCTION DEVICE, please refer to the EUbased contact point provided by the manufacturer. Ensure you have the product details ready when seeking assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your RECOIL REDUCTION DEVICE 2 PORT COMPENSATOR 14 SLIM 141LH. Thank you for your attention to safety.
