RAILED STOCK ADAPTER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the RAILED STOCK ADAPTER by JMAC CUSTOMS. This product is designed to enhance your shooting experience by allowing you to install 1913 style stocks or braces on your favorite AKM/AK74 rifle. However, to ensure your safety and the safety of others, it is essential to follow these guidelines and instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the RAILED STOCK ADAPTER.
- Use the product only for its intended purpose as described in this manual.
- Keep the product out of reach of children and unauthorized users.
- Inspect the RAILED STOCK ADAPTER and your firearm regularly for signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and consult a qualified gunsmith.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Ensure that the stock tang is completely removed before installation of the RAILED STOCK ADAPTER.
- Use only the mounting hardware provided with the RAILED STOCK ADAPTER to ensure secure attachment.
- Do not exceed the weight limit of the adapter; refer to the product specifications for details.
- Avoid using the adapter in extreme conditions (e.g., high heat, moisture) that could affect its performance.
- Be cautious when attaching or detaching stocks or braces; ensure your hands are clear of any moving parts.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a screwdriver compatible with the provided mounting hardware.

2. Removal of the Stock Tang:

- Follow the manufacturer's instructions for removing the existing stock tang from your AKM/AK74 rifle.
- Ensure that no parts are left in the mounting area.

3. Installation of the RAILED STOCK ADAPTER:

- Align the RAILED STOCK ADAPTER with the mounting area of the rifle.
- Insert the provided mounting hardware into the designated holes of the adapter and the rifle.
- Tighten the hardware securely using the screwdriver, ensuring the adapter is firmly attached.

4. Attaching Stocks/Braces:

- Once the RAILED STOCK ADAPTER is installed, attach your chosen 1913 style stock or brace according to its specific instructions.

- Ensure that the stock or brace is securely fastened before use.

5. Final Checks:

- After installation, doublecheck all fasteners and connections to ensure everything is secure.
- Perform a function check of the firearm to ensure it operates correctly with the new adapter.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the RAILED STOCK ADAPTER is no longer needed or is damaged beyond repair, dispose of it in a manner that prevents unauthorized use.
- Consider recycling the aluminum components where facilities are available.

Contact Information for Further Support

For any safety inquiries or support regarding the RAILED STOCK ADAPTER, please contact your local retailer or JMAC CUSTOMS directly.

By following these safety instructions, you can enjoy the benefits of the RAILED STOCK ADAPTER while ensuring your safety and the safety of those around you. Thank you for your attention to these guidelines, and happy shooting!
