# RAILED STOCK ADAPTER JMAC CUSTOMS Railed Stock Adapter YAKP 1913 Adapter Safety Instruction Guide

## Introduction

Thank you for choosing the Railed Stock Adapter by JMAC Customs. This product is designed to enhance your AKM/AK74 rifle by allowing the installation of 1913 style stocks and braces. It is important to follow this safety instruction guide to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** Ensure that the adapter is used only for its intended purpose. Follow all instructions to minimize risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices that may affect your product. Regularly check for updates.
- **Online Shopping Safety:** If purchased online, verify that the seller complies with EU safety requirements.
- **Vulnerable Groups:** Keep this product out of reach of children and ensure it is used only by individuals familiar with firearm handling.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for rapid alerts regarding unsafe products.

## Specific Safety Precautions for Use

- **Removal of the Stock Tang:** This product requires the removal of the stock tang. Ensure you have the necessary tools and skills to perform this safely.
- **Installation Checks:** Before use, inspect the adapter and mounting hardware for any signs of damage or wear.
- **Weight Consideration:** The adapter weighs 3.4oz including mounting hardware. Ensure that your stock or brace can support this weight without compromising safety.
- **Secure Mounting:** Ensure that the adapter is securely mounted to prevent any accidental dislodgment during use.
- **Proper Handling:** Always handle your firearm in a safe manner and follow all firearm safety rules.

## Instructions for Installation and Usage

1. **Gather Required Tools:** Ensure that you have the necessary tools for installation, including a screwdriver and any other required equipment.
2. **Remove the Stock Tang:**
  - Carefully remove the existing stock tang from your AKM/AK74 rifle.
  - Follow the manufacturer's instructions for your specific rifle model.
3. **Install the Railed Stock Adapter:**
  - Align the JMAC RSAAKM Stock/Brace adapter with the mounting area on your rifle.
  - Use the provided mounting hardware to securely attach the adapter, ensuring it is tightened appropriately.
4. **Attach Stock/Brace:**
  - Once the adapter is securely in place, attach your 1913 style stock or brace according to the manufacturer's instructions.
5. **Final Checks:**
  - Conduct a final inspection to ensure all components are securely attached.
  - Test the stability of the stock/brace before using the firearm.

## Disposal Instructions

- **Disposal of Packaging:** Dispose of any packaging materials responsibly, following local recycling guidelines.
- **EndofLife Product Disposal:** When the Railed Stock Adapter reaches the end of its life, dispose of it in accordance with local regulations for aluminum and metal waste.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Railed Stock Adapter, please refer to the designated EU contact point for assistance.
