8INCH SKELETON STOCK JMAC CUSTOMS Safety Instruction Guide

Introduction

Thank you for choosing the 8INCH SKELETON STOCK JMAC CUSTOMS. This product is designed to enhance your firearm's functionality while ensuring safety during use. This safety instruction guide provides essential information regarding safe use, installation, and maintenance of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is compatible with your firearm before installation.
- Always wear appropriate safety gear when handling firearms, including eye protection and gloves.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Avoid using the product if it appears damaged or is not functioning properly.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Compatibility:** Verify that your firearm has a 1913 attachment rail; if not, select the appropriate adapter.
- **Weight Considerations:** Be aware that the Skeleton Stock weighs only 5.36oz without the folding mechanism. Ensure your firearm can accommodate this weight.
- **Installation:** Follow the installation instructions carefully to prevent accidents or malfunctions.
- **Use of Cheek Risers:** The stock is drilled and tapped for optional cheek risers that will be available in the future. Ensure these are properly installed before use.
- **Folding Mechanism:** Familiarize yourself with the JMAC 1913 Folding Mechanism before use. Ensure it is functioning correctly to avoid unexpected folding during operation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation.
- Ensure your workspace is clean and free of distractions.
- Read through the entire installation guide before beginning.

2. Installation Steps:

- If your firearm does not have a 1913 attachment rail, install the appropriate adapter.
- Align the Skeleton Stock with the rail and ensure it fits securely.
- Use the provided screws to attach the stock to the rail. Ensure they are tightened properly but do not overtighten, as this may damage the stock or firearm.
- If you are installing cheek risers in the future, ensure they are aligned and secured properly.

3. Usage:

- Once installed, check the stability of the stock before use.
- Practice handling the firearm with the new stock in a safe environment.
- Always maintain proper firearm handling protocols during use.

Disposal Instructions

- Dispose of the product responsibly at a designated electronic waste recycling facility.
- Do not dispose of the product in regular household waste.
- Follow local regulations for the disposal of firearm accessories and components.

Contact Information for Further Support

For any questions or concerns regarding the 8INCH SKELETON STOCK JMAC CUSTOMS, including safety inquiries, please refer to the appropriate contact methods provided by the manufacturer.

Thank you for prioritizing safety and compliance while using your new product. Enjoy your enhanced firearm experience responsibly!
