[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

The best just got better! From the inventors of the very first fully modular, patented, ambidextrous safety selector for the AR-15 platform, Battle Arms Development is raising the bar on reliability and compatibility while lowering the price with the new generation BAD-ASS-PRO! This professional-grade, no non-sense, duty grade semi-auto safety selector is the perfect upgrade to your Smith & Wesson® M&P®15-22. It comes standard with a reversible throw safety center with 0°-90° and 0°-60° short-throw options. The standard and short safety levers are fully interchangeable and modular to accommodate left or right-handed shooters. No more broken screws! Don't settle for wiggling levers! No more stripped screw heads! The new patent-pending dovetail design and internal locking mechanism make it impossible to shear off the screw head because there is no screw head! Do not settle for spring-loaded detents that never give your safety lever that positive lock of confidence and worry about losing the small parts. The new BAD-ASS-PRO locking mechanism is robust, reliable and something you can depend your life on! The new 5/64" set screw is also designed to resist stripping.

## Attributes

# **Safety Instruction Guide for SMITH & WESSON M&P1522 REVERSIBLE AMBIDEXTROUS SAFETY SELECTOR**

## **Introduction**

Thank you for choosing the SMITH & WESSON M&P1522 REVERSIBLE AMBIDEXTROUS SAFETY SELECTOR by Battle Arms Development Inc. This safety selector is designed to enhance the reliability and functionality of your firearm. Please read this safety instruction guide carefully to ensure safe use and installation.

## **General Safety Guidelines**

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear and damage.
- Follow all local laws and regulations regarding firearm safety and usage.
- Be aware of your surroundings and ensure a clear line of sight before discharging your firearm.

## **Specific Safety Precautions for Use**

- Ensure that the SMITH & WESSON M&P1522 safety selector is properly installed before use.
- Do not attempt to modify or disassemble the safety selector beyond the provided instructions.
- Always use the safety selector in accordance with the manufacturer's guidelines.
- Avoid using the safety selector with excessive force, which may lead to malfunction or damage.
- If you experience any issues with the safety selector, cease use immediately and consult a qualified gunsmith.

## **Instructions for Installation and Usage**

### **Installation Steps**

#### **1. Preparation:**

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools, including a 5/64" hex key.

#### **2. Remove Existing Selector:**

- Locate the existing safety selector on your M&P1522.
- Using the hex key, remove the retaining screw and carefully detach the existing safety selector.

#### **3. Install the New Safety Selector:**

- Align the new SMITH & WESSON M&P1522 REVERSIBLE AMBIDEXTROUS SAFETY SELECTOR with the selector hole.
- Insert the new safety selector into position.

#### **4. Secure the Selector:**

- Use the provided 5/64" set screw to secure the safety selector in place. Ensure it is tightened

adequately to prevent movement.

#### **5. Testing:**

- Test the safety selector in both the safe and fire positions to ensure proper functionality.
- Make sure the selector moves smoothly without obstruction.

### **Usage Instructions**

- To engage the safety, push the lever to the "safe" position.
- To disengage the safety, push the lever to the "fire" position.
- Always check that the safety is engaged before handling or storing the firearm.

### **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the safety selector is damaged beyond repair, consult local regulations for proper disposal methods.
- Do not dispose of the safety selector in regular household waste.

### **Contact Information for Further Support**

For any questions or concerns regarding the SMITH & WESSON M&P1522 REVERSIBLE AMBIDEXTROUS SAFETY SELECTOR, please refer to the manufacturer's website or contact their customer support for assistance.

### **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the SMITH & WESSON M&P1522 REVERSIBLE AMBIDEXTROUS SAFETY SELECTOR. Your safety and the safety of those around you is paramount. Always prioritize safety when handling firearms.
