

AR-15 WORKHORSE HANDGUARDS M-LOK - BATTLE ARMS DEVELOPMENT INC. WORKHORSE 15 FREE FLOAT HANDGUARD ALUMINUM BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The WORKHORSE® M-LOK® compatible rail system was designed to be a lightweight and slimline option to be used on MIL-SPEC carbines available on the market today. With M-LOK® mounting options at the 3,6, and 9 o'clock positions and skeletonized areas where M-LOK® is not used, this handguard not only offers function but shaves weight where it is not needed. Battle Arms still maintain 1913 MIL-SPEC Picatinny rail at the 12 o'clock position that we "notch cut" to match our upper receiver and reduce weight again. Offered in multiple lengths to accommodate different barrel lengths and different needs, the WORKHORSE® offers everything you need and nothing you don't. Material: 6061 T6 Aluminum Length: 4", 6.7", 9.5", 13", 15" Internal Diameter: 1.36" Finish: Type 3 Black Hardcoat Anodize Attachment Type: M-LOK® Installation Torque Recommendations Barrel Nut 30-45 ft-lbs Screws 10-15 in-lbs

AR15 WORKHORSE HANDGUARDS MLOK SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the AR15 WORKHORSE HANDGUARDS MLOK by Battle Arms Development Inc. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your handguard. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its accessories.
- Always handle firearms with care and respect, following the basic rules of firearm safety.
- Keep the handguard and all firearm accessories out of the reach of children and unauthorized users.
- Inspect the handguard for any damage or defects before installation and use.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications during installation:
 - Barrel Nut: 3045 ftlbs
 - Screws: 1015 inlbs
- Ensure that the handguard is securely attached before using the firearm.
- Avoid placing any objects inside the handguard during operation to prevent obstruction.
- Do not alter the handguard or its components in any way, as this may compromise safety and functionality.
- Always wear appropriate safety gear when using firearms, including eye and ear protection.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing handguard from your firearm as per the manufacturer's instructions.
- Align the WORKHORSE handguard with the upper receiver and ensure that the MLOK mounting points are accessible.
- Attach the barrel nut and tighten to the recommended torque specification (3045 ftlbs).
- Secure the handguard using the provided screws, tightening them to the recommended torque specification (1015 inlbs).
- Check that the handguard is securely fastened and does not move.

3. Usage:

- Ensure that the firearm is properly maintained and cleaned regularly.
- When using the firearm, always be aware of your surroundings and ensure a clear line of sight.
- Regularly inspect the handguard for any signs of wear or damage.

Disposal Instructions

- Dispose of the handguard and any packaging materials in accordance with local regulations.
- Recycle materials where possible to minimize environmental impact.
- If the product is damaged or no longer functional, do not attempt to repair it; dispose of it safely.

Contact Information for Further Support

For any questions or concerns regarding the AR15 WORKHORSE HANDGUARDS MLOK, please refer to the manufacturer's website or contact their customer service for further assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your new handguard responsibly!
