

# TRIGGER CONNECTOR FOR GLOCK® - LONE WOLF DIST. ALL MODELS EXCEPT M42 & M43 LWD CONNECTOR 3.5 LB & 6 LB TR

[Handgun Parts](#) > [Trigger Group Parts](#) > [Connector Parts](#)

The connector has been redesigned with new spring weights and angles for improved geometry and feel. Connector has a built in debris channel for improved performance. A 25% reduction in side thickness provides superior reset action. Connector works with ALL Glocks regardless of model or generation (EXCEPT G42/43).

# Safety Instruction Guide for TRIGGER CONNECTOR FOR GLOCK® LONE WOLF DIST.

## Introduction

Thank you for choosing the TRIGGER CONNECTOR FOR GLOCK® LONE WOLF DIST. This guide provides essential safety information to ensure the safe use of the product. It is crucial to read and understand these instructions before installation and use.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms and firearm accessories with care, following all applicable laws and safety regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the connector for wear or damage before use.
- If you notice any irregularities in the product's performance, cease use immediately and seek assistance.

## Specific Safety Precautions for Use

- The connector is designed for use with all Glock models except G42 and G43. Ensure compatibility before installation.
- Do not attempt to modify or alter the connector in any way, as this may compromise safety and performance.
- Always ensure that the firearm is unloaded before installing or adjusting the connector.
- Wear appropriate safety gear, such as eye protection, during installation and testing.
- Follow all local laws and regulations regarding firearms and firearm accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your Glock is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and mallet.

### 2. Installation:

- Remove the slide from the frame of the Glock.
- Locate the existing connector and carefully remove it using the punch tool.
- Insert the new TRIGGER CONNECTOR into the designated slot, ensuring it is seated properly.
- Reassemble the slide and frame, ensuring all components are securely in place.

### 3. Testing:

- After installation, perform a function check to ensure proper operation.
- Pull the trigger to ensure smooth operation and reset.
- If the connector does not perform as expected, disassemble and check for proper installation.

### 4. Usage:

- Always practice safe firearm handling techniques.
- Regularly inspect the connector during routine firearm maintenance.

## **Disposal Instructions**

- Dispose of any damaged or unusable products in accordance with local regulations.
- Do not dispose of the connector in regular household waste. Contact local authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIGGER CONNECTOR FOR GLOCK® LONE WOLF DIST., please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure the safe use of your TRIGGER CONNECTOR FOR GLOCK® LONE WOLF DIST. Always prioritize safety and compliance with local laws when handling firearms and associated accessories.
