

# **INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES - IMPROVED MODIFIED (0.715") 12 GAUGE BROWNING INVECTOR PLUS**

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## **Tight, Consistent Patterns, Less Shot Deformation**

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

## **Attributes**

- Name: [IMPROVED MODIFIED \(0.715"\) 12 GAUGE BROWNING INVECTOR PLUS](#)
- Manufacturer: [CARLSONS](#)
- Product no.: 155000014

# Safety Instruction Guide for Invector Plus 12 Gauge Sporting Clays Browning Inv. Choke Tubes

## Introduction

Thank you for choosing the Invector Plus 12 Gauge Sporting Clays Browning Inv. Choke Tubes. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read and follow these instructions carefully to maximize your safety and the performance of the choke tubes.

## General Safety Guidelines

- Ensure that all users of this product are familiar with safe firearm handling practices.
- Always treat every firearm as if it is loaded.
- Keep the choke tubes out of reach of children and unauthorized users.
- Inspect the choke tubes for any damage before each use. Do not use damaged tubes.
- Use the choke tubes only with compatible firearms and ammunition types.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to firearm malfunction.
- Using incompatible ammunition may cause damage to the firearm or injury to the user.
- Failure to follow safe handling practices may result in accidents.

### • Instructions for Avoiding Hazards:

- Always ensure the choke tube is securely installed before firing.
- Use only steel shot with these choke tubes, as other types of ammunition may not be safe.
- Be aware of your surroundings and ensure a safe shooting environment.

### • Age or Audience Specific Warnings:

- This product is intended for use by individuals aged 18 years and older.
- Ensure that inexperienced users are supervised by knowledgeable adults when handling firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing choke tube from the barrel by turning it counterclockwise.
- Clean the threads of the barrel to remove any debris or residue.
- Insert the Invector Plus choke tube into the barrel and turn it clockwise until secure. Do not overtighten.

### 2. Usage:

- Load the firearm with appropriate ammunition.
- Always check the choke tube constriction before shooting to ensure it is suitable for your intended use.
- Fire the firearm following all safe shooting practices, ensuring a clear line of sight and safe

backdrop.

### **3. Maintenance:**

- After use, clean the choke tubes with a soft cloth to remove any residue.
- Store the choke tubes in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further information regarding the Invector Plus 12 Gauge Sporting Clays Browning Inv. Choke Tubes, please refer to your local distributor or manufacturer's website for contact details and support resources.

Thank you for your attention to these safety guidelines. Proper use and care of your Invector Plus choke tubes will enhance your shooting experience while ensuring your safety and that of others.
