

# AR-15 CARRYING HANDLE ASSEMBLY - COLT AR-15 ADJUSTABLE CARRYING HANDLE ASSEMBLY BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Genuine Colt M4/A4 Detachable Carry Handle is the same component used on military issued carbines and rifles. Mil-Spec rear sight features elevation adjustment up to 600 meters (marked 6/3). Standard A2 style adjustments allow for easy windage and elevation changes. Rear peep features the standard military two apertures, one small and one large. Carry handle easily attaches to Picatinny upper receivers via two, easy to grasp thumb nuts. Forged aluminum body, and steel hardware ensure that this sight system will hold up. Aluminum is hard coat anodized and steel components are parkerized. Carry handle features the traditional carry handle mount, so that that optics can be mounted to the top as on a standard A2 carry handle.

## Attributes

- Name: [COLT AR-15 ADJUSTABLE CARRYING HANDLE ASSEMBLY BLACK](#)
- Manufacturer: [COLT](#)
- Product no.: 160303040
- Mfr. No.: 64987
- Colour: Black
- Model: AR-15
- Style: Adjustable
- Weapon type: AR-15
- Delivery weight: 0.136kg
- Shipping height: 43mm
- Shipping width: 56mm
- Shipping length: 188mm

## Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for AR15 Carrying Handle Assembly

## Introduction

Thank you for choosing the AR15 Carrying Handle Assembly. This guide provides essential safety information to ensure safe use and installation of the product. Please read this guide carefully before using the carrying handle assembly.

## General Safety Guidelines

- **Product Safety:**

- Ensure safe use of the carrying handle assembly in compliance with EU safety regulations.
- Be aware of any risks associated with improper use or installation.

- **Enhanced Recalls:**

- Stay informed about any product recalls or safety notices.
- If notified of a recall, follow the instructions provided for returning or remedying the product.

- **Online Shopping:**

- When purchasing online, ensure that the retailer complies with safety standards.
- Verify that the product is genuine and meets all safety requirements.

- **Special Consumer Focus:**

- Extra care should be taken if the product is used by children or vulnerable individuals.
- Ensure that only responsible adults handle the assembly.

- **EU Contact Point:**

- For any safety inquiries, refer to the designated EU contact point for assistance.

- **Rapid Alerts:**

- Be aware of the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- Always inspect the carrying handle assembly for any signs of damage before use.
- Ensure that the assembly is securely attached to the firearm before handling.
- Do not exceed the recommended elevation adjustments of the rear sight.
- Avoid using the carrying handle assembly with incompatible firearm models.
- Keep the carrying handle assembly away from children and unauthorized users.
- Use protective eyewear when adjusting or using the assembly to prevent injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and safe before installation.

- Align the carrying handle assembly with the Picatinny rail on the upper receiver.
- Secure the assembly in place using the two thumb nuts provided.
- Tighten the thumb nuts by hand until the assembly is firmly attached, ensuring it does not move.

## **2. Usage:**

- Adjust the rear sight elevation by turning the adjustment knob until the desired setting is reached.
- For windage adjustments, use the standard A2 style adjustments to make necessary changes.
- To switch between the small and large apertures, rotate the rear peep sight as needed.
- Always doublecheck the adjustments before taking aim.

## **Disposal Instructions**

- Dispose of the carrying handle assembly in accordance with local regulations.
- If the product is no longer usable, consider recycling any metal components where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Carrying Handle Assembly, please refer to the designated EU contact point for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the AR15 Carrying Handle Assembly. Thank you for your attention to safety.
