

CARBINE H2 HEAVY BUFFER - COLT CARBINE H2 HEAVY BUFFER

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

FITS: AR-15 Government Carbine, .223

Features: Weighs 4.6 oz Contains two tungsten weights and one steel weight
Standard carbine length buffer Aluminum exterior Fits AR-15 and M16 carbine
buffer tubes Use with standard AR-15/M16 carbine buffer springs H3 is 5.4 oz
Benefits: Increased weight allows for more reliable function in rifles with
shorter gas systems Heavier weight reduces bolt bounce in full auto fire
Increased weight also softens recoil 4.6 oz weight also allows for a longer
dwell time slowing down the cycling of the rifle H3 is 5.4 oz

Attributes

- Name: [COLT CARBINE H2 HEAVY BUFFER](#)
- Manufacturer: [COLT](#)
- Product no.: 160307200
- Mfr. No.: SP65068
- Weapon type: AR-15
- Delivery weight: 0.091kg
- Shipping height: 15mm
- Shipping width: 20mm
- Shipping length: 84mm

Item details

Made in USA

US export classification: 0A501.x

CARBINE H2 HEAVY BUFFER Safety Instruction Guide

Introduction

Thank you for choosing the CARBINE H2 HEAVY BUFFER by COLT. This guide provides essential safety instructions to ensure the safe usage of this product. Please read this document carefully before installation and use. Your safety is our priority.

General Safety Guidelines

- Ensure that you understand the function and operation of the CARBINE H2 HEAVY BUFFER before use.
- Always handle firearms and related components with care and in accordance with established safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the buffer for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities immediately.
- Stay informed about any product recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the CARBINE H2 HEAVY BUFFER is compatible with your AR15 or M16 carbine buffer tube.
- **Installation:** Follow the installation instructions carefully to avoid improper setup that could lead to malfunction.
- **Weight Consideration:** The buffer weighs 4.6 oz, which can affect the cycling of the rifle. Ensure your firearm is suited for this weight.
- **Recoil Management:** The increased weight is designed to soften recoil; however, always practice safe shooting techniques.
- **Full Auto Fire:** If using in a full auto setting, be aware of the potential for increased bolt bounce. Ensure you are familiar with handling full auto firearms safely.
- **Dwell Time:** The heavier buffer may increase dwell time. Ensure that your firearm is properly adjusted to accommodate this change.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer from the buffer tube.
- Insert the CARBINE H2 HEAVY BUFFER into the buffer tube.
- Ensure that the buffer is seated properly and secured in place.
- Reattach the buffer spring, ensuring it is properly aligned.

2. Usage:

- Always wear appropriate eye and ear protection when firing your firearm.
- Conduct a function check to ensure the buffer is operating correctly before live fire.
- Monitor the performance of the rifle during use. If you notice any unusual behavior, cease operation immediately and inspect the firearm and buffer.
- Clean and maintain the buffer regularly to ensure optimal performance.

Disposal Instructions

- Dispose of the CARBINE H2 HEAVY BUFFER in accordance with local regulations regarding metal products.
- Do not dispose of the buffer in regular household waste.
- Consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries regarding safety or performance of the CARBINE H2 HEAVY BUFFER, please contact the manufacturer or your local distributor. Ensure that you have the product details on hand for efficient assistance.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). Always prioritize safety and responsible usage of your firearm and its components. Thank you for your attention to these important safety guidelines.
