1911 Firing Pin Stop Safety Instructions

Introduction

Thank you for purchasing the 1911 Firing Pin Stop. This highquality, precisionmachined part is designed for serious pistol shooters looking to build or enhance their 1911 Auto. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when handling firearms and parts.
- Keep firearms out of reach of children and unauthorized users.
- Always wear appropriate safety gear, such as eye and ear protection, when using firearms.
- Regularly inspect your firearm and its parts for signs of wear or damage.
- Follow all local laws and regulations regarding firearms.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before replacing or installing the firing pin stop.
- Only use parts that are designed for your specific model of 1911 Auto.
- Be cautious of sharp edges while handling the firing pin stop.
- If you are unsure about the installation or use of the firing pin stop, seek assistance from a qualified gunsmith.
- Never modify or alter the firing pin stop or any other firearm parts unless you are a trained professional.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools: a punch tool and a hammer.

2. Remove the Old Firing Pin Stop

- Use the punch tool to gently tap out the old firing pin stop from the slide.
- Take care not to damage the slide or any surrounding parts.

3. Install the New Firing Pin Stop

- Align the new firing pin stop with the slide.
- Use the punch tool to gently tap the new firing pin stop into place until it is secure.

4. Final Checks

- Inspect the installation to ensure that the firing pin stop is properly seated.
- Conduct a function check to ensure the firearm operates correctly without any issues.

5. Usage

- Use the firearm in accordance with all safety guidelines and local laws.
- Regularly check the firing pin stop for wear and ensure it remains secure during use.

Disposal Instructions

- Dispose of any old or damaged parts in accordance with local regulations.
- Ensure that all disposed items are not accessible to children or unauthorized individuals.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 Firing Pin Stop, please refer to the EU contact point available for assistance. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Thank you for choosing the 1911 Firing Pin Stop. Your safety is our priority.
