# Safety Instruction Guide for 1911 Firing Pin Stop

## Introduction

Thank you for choosing the 1911 Firing Pin Stop. This product is designed for use with 1911 Auto pistols and is crafted from highquality materials to ensure safety and performance. Please read this safety instruction guide carefully to ensure safe and proper use.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Store all firearm parts, including the Firing Pin Stop, in a secure location away from children and unauthorized users.
- Be aware of local laws and regulations regarding firearm modifications and usage.
- Regularly inspect your firearm and its components for wear and damage.

## Specific Safety Precautions for Use

- Use only with compatible models: This Firing Pin Stop is designed for 1911 Government, Commander, and Officers models.
- Ensure proper installation: Follow the installation instructions carefully to avoid malfunctions.
- Avoid modifications: Do not alter the Firing Pin Stop or any other firearm components, as this may compromise safety and performance.
- Use appropriate ammunition: Ensure that you are using the correct caliberspecific parts and ammunition for your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary tools, including a punch and hammer.

### 2. Installation:

- Remove the slide from the frame of the pistol.
- Locate the existing Firing Pin Stop and carefully drive out the retaining pin using the punch.
- Remove the old Firing Pin Stop.
- Insert the new Firing Pin Stop into the slide.
- Reinsert the retaining pin to secure the Firing Pin Stop in place.
- Ensure that the Firing Pin Stop is seated correctly and does not interfere with the operation of the firing pin.

### 3. Usage:

- After installation, reassemble the firearm according to the manufacturer's instructions.
- Perform a function check to ensure that the firearm operates correctly.
- Always follow safe handling practices when using your firearm.

## Disposal Instructions

- Dispose of any old or damaged parts in accordance with local regulations.
- Do not throw away firearm parts in regular trash. Instead, consult with a local waste management

authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding the safety or installation of the 1911 Firing Pin Stop, please consult the manufacturer or a qualified gunsmith. Always ensure that you have a reliable source for assistance with firearmrelated inquiries.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of your 1911 Firing Pin Stop. Always prioritize safety and seek professional assistance when needed. Thank you for your attention to these important safety measures.
