# 1911 Firing Pin Stop Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 Firing Pin Stop (SS). This product is designed to enhance the performance of your 1911 Auto pistol. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is compatible with your specific model of the 1911 Auto (Government, Commander, Officers).
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the firing pin stop for signs of wear or damage before use.
- Report any unsafe conditions or product defects to the relevant authorities.

## Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and pointed in a safe direction.
- Wear appropriate safety gear, including eye protection, when handling or working on firearms.
- Do not modify the firing pin stop beyond its intended use as specified by the manufacturer.
- Ensure that all parts are clean and free of debris before installation.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: a punch, hammer, and any additional tools specified in your firearm's manual.
- Ensure the workspace is clean and organized.

### 2. Installation

- Verify that the firearm is unloaded and safe.
- Remove the slide from the frame of the 1911 Auto according to the manufacturer's instructions.
- Locate the existing firing pin stop and gently drive it out using the punch and hammer.
- Align the new firing pin stop (SS) with the slide and carefully insert it into place.
- Ensure it is seated properly and secured.

### 3. PostInstallation Checks

- Reassemble the firearm according to the manufacturer's instructions.
- Perform a function check to ensure that the firing pin stop operates correctly.
- If applicable, test the firearm in a safe environment, following all safety protocols.

### 4. Usage

- Use the firearm in accordance with local laws and regulations.
- Regularly clean and maintain the firearm to ensure optimal performance.

## Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact details provided with your product packaging or documentation.

By following these guidelines, you can ensure the safe and effective use of the 1911 Firing Pin Stop (SS). Thank you for prioritizing safety in your shooting activities.
