

# 1911 ADJUSTABLE SIGHTS - CASPIAN TARGET SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## 3 Styles Improve Sight Picture, Target Acquisition, Visibility

Low profile body with rounded corners helps eliminate snagging. Serrated rear blade prevents glare and helps guide your eye to the sight. Target - narrow notch provides precise, open sighting for Bullseye or target competition. Round Ghost Ring - gives quick sight alignment for fast target acquisition. Diamond Ghost Ring - combines speed and accuracy in bright lighting conditions when used with fiber optic front sights.

# 1911 Adjustable Sights Caspian Target Sight Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 Adjustable Sights Caspian Target Sight. This guide provides essential safety instructions and guidelines to ensure the safe installation and use of your product. Please read this document carefully to understand the precautions necessary for safe operation.

## General Safety Guidelines

- **Product Safety:** Ensure that all safety measures are followed to prevent accidents and injuries. This product is designed for use with specific 1911 models, including Government, Commander, and Officers.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. In case of a recall, follow the instructions provided to return or remedy the product.
- **Online Shopping:** If purchased online, ensure that the platform follows safety regulations equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to your local EU-based contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding any safety issues related to this product.

## Specific Safety Precautions for Use

- **Installation:**
  - Installation requires machining of the slide. Ensure that this is done by a qualified gunsmith to avoid damage and ensure proper fit.
- **Sighting:**
  - Ensure that your sight alignment is correct before shooting. Misalignment can lead to accidents or misfires.
- **Handling:**
  - Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Maintenance:**
  - Regularly inspect the sight for any signs of wear or damage. Do not use the sight if it appears compromised.
- **Environment:**
  - Avoid using the sight in extreme weather conditions that could affect its performance or your safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including a gunsmithing toolkit and safety glasses.
- Ensure the firearm is unloaded and in a safe condition.

### 2. Installation:

- Remove the existing rear sight from your firearm's slide using appropriate tools.
- Machine the slide as required to accommodate the new sight. This step should be performed by a qualified gunsmith.
- Position the Caspian Target Sight on the slide, ensuring proper alignment.

- Secure the sight in place according to the manufacturer's specifications.

### **3. Usage:**

- Once installed, familiarize yourself with the sight's features, including the serrated rear blade and target notch.
- Practice sight alignment and target acquisition in a safe and controlled environment.
- Always ensure the firearm is handled safely during use.

### **4. PostUse:**

- Clean the sight and firearm after use to maintain performance and longevity.
- Store the firearm and sight in a secure location when not in use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the sight becomes damaged beyond repair, follow local guidelines for the disposal of metal and plastic components.
- Do not dispose of the sight in regular household waste. Check for recycling options specific to firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation or safety of the 1911 Adjustable Sights Caspian Target Sight, please consult a qualified gunsmith or contact your local EUbased consumer safety organization for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you are paramount. Enjoy your shooting experience responsibly!
