

# 1911 CUSTOM SEAR SPRING - CUSTOM SEAR SPRING, EACH

[Handgun Parts](#) > [Trigger Group Parts](#) > [Sear Parts](#) > [Sear Springs](#)

## Effective, Easy-To-Install Cure-Saves Carefully Stoned Sear & Hammer Notches

Exclusive, "split" center leg of spring keeps constant forward pressure on trigger to prevent hammer/sear notch damage (which can cause dangerous "hammer follow") on guns equipped with lightened or "traditional", custom trigger jobs. Allows hammer to stand cocked under most normal conditions and will not affect trigger break or pull. Can be used with lightweight triggers or Gold Cup-style hammers.

# 1911 Custom Sear Spring Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 Custom Sear Spring. This product is designed to enhance the performance of your 1911style pistol while ensuring safe operation. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely and responsibly.

## General Safety Guidelines

- Ensure that all firearms are handled with care and in accordance with local laws and regulations.
- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- If you experience any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- This product is designed for use with Coltstyle 1911 Auto pistols only. Do not use it with other firearm models.
- Ensure the firearm is unloaded before installation or maintenance.
- Be aware that improper installation may lead to dangerous malfunctions, including "hammer follow."
- Use this spring only with lightweight triggers or Gold Cupstyle hammers as specified.
- Do not modify the product or use it in a manner that is not intended by the manufacturer.
- If you are unsure about the installation or compatibility of this product, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather necessary tools: a punch tool, hammer, and safety glasses.

### 2. Installation:

- Remove the existing sear spring from the firearm if applicable.
- Align the new 1911 Custom Sear Spring in the correct position.
- Use the punch tool to carefully insert the spring into the designated slot.
- Ensure that the "split" center leg of the spring is positioned to maintain forward pressure on the trigger.
- Doublecheck that the spring is properly seated and secured.

### 3. PostInstallation Check:

- After installation, perform a function check of the firearm.
- Ensure that the trigger operates smoothly and that the hammer remains cocked under normal conditions.
- If any issues arise, consult a qualified gunsmith before further use.

#### **4. Usage:**

- Regularly practice safe handling techniques when using your firearm.
- Monitor the performance of the trigger and hammer during use. If you notice any irregularities, cease use immediately.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal and firearm components.
- Do not throw the product in regular household waste.
- Consider recycling options for metal components if available.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding this product, please consult with a qualified gunsmith or the manufacturer directly. Always ensure that you are following the latest safety guidelines and regulations.

Thank you for prioritizing safety and responsible firearm ownership.
