# Safety Instruction Guide for REPLACEMENT BULLET POINTS CRATEX POINT, EXFINE, #8 BULLET, 1/16" ARBOR

## Introduction

Thank you for choosing the REPLACEMENT BULLET POINTS CRATEX POINT, EXFINE, #8 BULLET, 1/16" ARBOR. This product is designed for use with various tools and applications. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bullet points for signs of wear or damage before use.
- Do not use damaged or worn bullet points as they may pose a risk of injury.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using this product.
- Follow all local regulations and guidelines regarding the use and disposal of abrasive materials.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from flying debris during use.
- Risk of burns from overheating if used improperly.

- **Avoiding Hazards:**

- Use the bullet points at the recommended speed and pressure to prevent overheating and damage.
- Ensure proper ventilation in the work area to avoid inhaling dust and debris.
- Do not exceed the maximum RPM specified for the tool being used with these bullet points.

- **AudienceSpecific Warnings:**

- This product is not intended for use by children. Keep out of reach of children.
- Special care should be taken when used by inexperienced users. Supervision is recommended.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the tool is turned off and unplugged before installation.
2. Select the appropriate bullet point size for your application (#8, #11, or #15).
3. Insert the bullet point into the tool's arbor, ensuring a secure fit.
4. Tighten the arbor according to the manufacturer's instructions to prevent the bullet point from loosening during use.

- **Usage:**

1. Always wear safety goggles and gloves before starting work.

2. Turn on the tool and allow it to reach full speed before making contact with the workpiece.
3. Apply light pressure to the bullet point while working. Do not force the tool.
4. Regularly check the bullet point for wear and replace it if necessary.
5. After use, turn off the tool and allow it to cool down before handling.

## **Disposal Instructions**

- Dispose of used bullet points and any debris according to local regulations for hazardous waste.
- Do not dispose of bullet points in regular household waste.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please consult your retailer or manufacturer's website for guidance.

By following these safety instructions, you can ensure a safe and effective experience with your REPLACEMENT BULLET POINTS CRATEX POINT, EXFINE, #8 BULLET, 1/16" ARBOR. Thank you for your attention to safety.
