## Contoured, Non-Slip Handle For Comfort & Control

**APEX TOOL GROUP RUBBER FILE HANDLE** The APEX TOOL GROUP Rubber File Handle is designed to provide a comfortable and secure grip for various file sizes, enhancing control and reducing hand fatigue during metal or wood shaping tasks. Its molded rubber construction absorbs vibration and offers a non-slip hold, making it an essential accessory for gunsmiths and metalworkers. **Description and Features:** This handle features a flared neck with ribs to prevent the hand from slipping forward, especially during intensive filing. It includes two removable inserts, allowing compatibility with most popular file sizes. Measuring 4½ inches (11.4 cm) in length, the handle is compact yet hand-filling, ensuring a comfortable grip for extended periods. **Specifications:** Material: Molded black rubber Length: 4½ inches (11.4 cm) **Features:** Flared neck with ribs, two removable inserts for file compatibility **Customer Insights:** Customers appreciate the handle's ability to absorb vibration and provide a secure grip, enhancing file control and reducing hand fatigue. The inclusion of removable inserts is noted for its versatility in accommodating various file tang sizes. Incorporating the APEX TOOL GROUP Rubber File Handle into your toolkit ensures improved comfort and efficiency during filing tasks, making it a valuable addition for both professionals and hobbyists.

# RUBBER FILE HANDLE SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the RUBBER FILE HANDLE by APEX TOOL GROUP. This product is designed to provide a comfortable and secure grip while shaping metal or wood. To ensure your safety and the best performance of this tool, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the RUBBER FILE HANDLE in accordance with the manufacturer's instructions.
- Inspect the tool before each use for any signs of damage or wear.
- Keep the work area clean and welllit to prevent accidents.
- Store the RUBBER FILE HANDLE in a safe place away from children and pets.
- Ensure that the tool is used only for its intended purpose.

## Specific Safety Precautions for Use

- **Vibration Absorption:** The molded rubber handle is designed to absorb vibration. However, prolonged exposure to vibration may still cause discomfort. Take breaks as needed.
- **NonSlip Grip:** Ensure your hands are clean and dry before using the handle to maintain a secure grip.
- **Flared Neck:** The flared neck with ribs helps prevent your hand from slipping. Use the handle firmly to ensure stability while working.
- **File Size Compatibility:** The handle accepts most popular file sizes. Make sure the file is securely inserted before use.
- **Avoid Excessive Force:** Do not apply excessive force that could lead to loss of control or injury.

## Instructions for Installation and Usage

### 1. Inserting the File:

- Choose the appropriate file size for your task.
- Remove the two inserts from the handle if necessary.
- Insert the file into the handle until it is fully seated.
- Replace the inserts to secure the file in place.

### 2. Using the Handle:

- Hold the handle firmly with both hands for better control.
- Position the file against the material you are shaping.
- Use smooth, even strokes while applying pressure as needed.
- Avoid twisting or bending the file to prevent breakage.

### 3. After Use:

- Clean the handle and file to remove any debris or residue.
- Store the RUBBER FILE HANDLE in a dry place.

## Disposal Instructions

- Dispose of the RUBBER FILE HANDLE in accordance with local regulations.
- If the handle is damaged beyond repair, consider recycling the rubber material where facilities are

available.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the RUBBER FILE HANDLE, please refer to the manufacturer's contact information. Ensure you have the product details available for reference.

By following these guidelines, you can ensure safe and effective use of the RUBBER FILE HANDLE. Thank you for prioritizing safety while using our product.
