Safety Instruction Guide for MILL FILES APEX TOOL GROUP SECOND CUT, 6" (15.2CM)

Introduction

Thank you for choosing the MILL FILES APEX TOOL GROUP SECOND CUT, 6" (15.2CM). This product is designed for drawfiling and finishing metals with safety and efficiency in mind. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the file in a welllit area to ensure visibility.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves to protect against metal filings and sharp edges.
- Keep the work area free from clutter to prevent accidents.
- Ensure that the file is stored in a dry place to avoid corrosion.
- Regularly inspect the file for any signs of damage or wear before use.

Specific Safety Precautions for Use

- Handle the file carefully to avoid cuts or punctures from the sharp edges.
- Do not apply excessive force when using the file; let the tool do the work.
- Use the file only for its intended purpose—do not use it for any other applications.
- Keep fingers and hands away from the cutting edges while using the file.
- If the file becomes stuck during use, stop and assess the situation before proceeding.

Instructions for Installation and Usage

1. Preparation:

- Ensure the workpiece is securely clamped or held in place.
- Choose the correct file for the task based on the size and type of metal being worked on.

2. Filing Technique:

- Hold the file with both hands, applying pressure in a forward motion.
- Use long, even strokes for best results.
- Lift the file off the workpiece on the return stroke to prevent dulling the cutting edges.

3. Cleaning:

- After use, clean the file with a wire brush to remove metal filings and debris.
- Store the file in a protective case to maintain its condition.

Disposal Instructions

- Dispose of any metal filings and debris in accordance with local regulations.
- If the file is damaged beyond repair, dispose of it in a manner that prevents injury to others.

Contact Information for Further Support

For any inquiries regarding the safety and use of this product, please refer to the contact information provided by your retailer or manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your MILL FILES APEX TOOL GROUP SECOND CUT, 6" (15.2CM). Thank you for your attention to safety.
