Safety Instruction Guide for SWISS PATTERN BARRETTE FILES FRIEDR. DICK GMBH 4" BARRETTE #1 CUT

Introduction

Thank you for choosing the SWISS PATTERN BARRETTE FILES from FRIEDR. DICK GMBH. These precision tools are designed for detailed filing tasks in tight spaces. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the file before use for any signs of damage or wear.
- Use the file only for its intended purpose—precision filing in tight spaces.
- Keep files out of reach of children and vulnerable individuals.
- Ensure your workspace is clean and welllit to avoid accidents.
- Wear appropriate personal protective equipment, such as safety goggles and gloves, to protect against injury.
- Be aware of your surroundings and ensure that you have a stable footing while using the file.

Specific Safety Precautions for Use

- Avoid applying excessive force when using the file; let the tool do the work.
- Do not use the file on materials that exceed its intended use, such as hard metals or other inappropriate surfaces.
- Use the file with the flat side facing the workpiece to maintain control and precision.
- Keep your hands and fingers clear of the filing area to prevent injury.
- Do not use the file if you are tired or distracted to maintain focus and control.

Instructions for Installation and Usage

1. Preparation

- Ensure that the work area is clean and free of clutter.
- Gather all necessary tools and materials before starting your project.

2. Using the File

- Hold the file firmly by the handle, ensuring a secure grip.
- Position the flat side of the file against the workpiece.
- Apply light pressure and move the file back and forth in a controlled manner.
- Adjust the angle of the file as necessary to achieve the desired finish.

3. PostUse Care

- Clean the file after each use to remove debris and prevent rust.
- Store the file in a dry place, away from moisture and direct sunlight.
- Avoid dropping or mishandling the file to maintain its integrity.

Disposal Instructions

- Dispose of the file according to local regulations for metal tools.
- Do not dispose of files in regular household waste.
- If the file is damaged beyond use, consider recycling options available in your area.
