Next Generation Bluetooth Chronograph

The Competition Electronics ProChrono DLX Chronograph with Built-In Bluetooth is a next generation chronograph with proven technology and design. The ProChrono DLX Chronograph with Built-In Bluetooth operates off of one 9-volt alkaline battery, which will need to be purchased separately. Great for use across shooting sports including firearms, archery, airguns, and even paint ball. 2 year warranty against defects in material and workmanship, and a 1/2 price repair guarantee Operates off an Alkaline 9-volt battery power for 20+ hours of operation (not included) Velocity Range: 20 - 9,999 feet per second Memory Capacity: Up to 9 strings of up to 99 shots each Minimum Time Between Shots: 500 mSec Shot Timing Resolution: 31 nSec (8000 counts @ 4,000fps) Crystal Controlled Accuracy: +/- .5% of measured velocity or better The ProChrono DLX Chronograph features on-board Bluetooth connectivity, and more options are available with FREE apps for iOS, Android, Kindle, PC, and Mac. A built in full featured operating system has multiple shot string memory and statistics, and a sensing system is compatible with a wide variety of light conditions and projectiles. The ProChrono DLX Chronograph has a faster internal shot clock for improved accuracy to +/- .5% or better. Made in the USA.

Safety Instruction Guide for PROCHRONO DLX Chronograph with BuiltIn Bluetooth

Introduction

Thank you for choosing the PROCHRONO DLX Chronograph with BuiltIn Bluetooth. This guide provides essential safety instructions to ensure the safe use and operation of your chronograph. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the chronograph by following all instructions.
- Be aware of potential hazards associated with the use of electronic devices.
- Use the chronograph only for its intended purpose, as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates and recalls on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not expose the chronograph to extreme temperatures, moisture, or direct sunlight.
- Avoid using the chronograph in environments with high electromagnetic interference.
- Ensure that the battery compartment is securely closed to prevent battery leakage.
- Do not attempt to disassemble or modify the chronograph, as this may lead to malfunction or injury.
- Always use the recommended 9volt alkaline battery and replace it when necessary.
- Be cautious while handling projectiles or equipment associated with shooting sports.

Instructions for Installation and Usage

1. Battery Installation

- Open the battery compartment located at the back of the chronograph.
- Insert one 9volt alkaline battery (not included) in the correct orientation, ensuring proper contact with the terminals.
- Close the battery compartment securely.

2. Setting Up the Chronograph

- Place the chronograph on a stable surface, ensuring it is level and positioned away from obstacles.
- Connect the Bluetooth feature as per the instructions in the companion app available for iOS, Android, Kindle, PC, and Mac.

3. Using the Chronograph

- Turn on the chronograph using the power button.
- Select your desired settings using the onscreen menu or via the app.
- Aim the chronograph at the projectile's path and ensure it is within the specified velocity range of 20 – 9,999 feet per second.
- Monitor the shot timing resolution and statistics as displayed on the screen or app.

4. PostUse Care

- Turn off the chronograph after use to conserve battery power.
- Clean the exterior with a soft, dry cloth. Avoid using solvents or abrasive materials.

Disposal Instructions

- Dispose of the chronograph and its components in accordance with local regulations.
- Do not dispose of the battery in household waste. Follow local guidelines for battery recycling.
- Ensure that any electronic waste is recycled at designated facilities to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the PROCHRONO DLX Chronograph, please refer to the official website or contact the manufacturer's support line for assistance.

Thank you for your attention to these safety instructions. Enjoy using your PROCHRONO DLX Chronograph with BuiltIn Bluetooth responsibly and safely.
