Safety Instruction Guide for PROTIMER COMPETITION ELECTRONICS PROTIMER GREY

Introduction

Thank you for choosing the PROTIMER COMPETITION ELECTRONICS PROTIMER GREY. This product is designed to enhance your practice sessions with advanced features while ensuring safety and ease of use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always check the device for any visible damage before use. If damaged, do not use the product.
- Follow all instructions and warnings provided in this guide to minimize risks.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the battery compartment and ensure it is clean and free of corrosion.
- In the event of any malfunction or unusual behavior, discontinue use immediately and consult the manufacturer.

Specific Safety Precautions for Use

- Do not expose the timer to extreme temperatures, moisture, or direct sunlight.
- Ensure that the battery is installed correctly, following the polarity markings.
- Replace the battery only with the specified type (9volt alkaline or lithium) to avoid damage.
- Do not attempt to disassemble or repair the timer yourself. Contact a professional for repairs.
- When using the headset jack, ensure the volume is at a safe level to prevent hearing damage.
- Avoid using the timer in environments where distractions may pose a danger to yourself or others.

Instructions for Installation and Usage

1. Battery Installation:

- Open the battery compartment located on the back of the timer.
- Insert one 9volt alkaline or lithium battery, ensuring correct polarity.
- Close the battery compartment securely.

2. Using the Timer:

- To turn on the timer, press the designated power button.
- Select your desired settings, including par time and hit factor scoring, using the builtin user interface.
- For practice sessions, press the start button to begin timing.
- After your session, review your shot data on the display.

3. Adjusting Volume:

- Use the adjustable volume control located near the headset jack to set the desired sound level.

4. Using the Headset:

- Connect a compatible 3.5mm headset to the jack.
- Ensure the volume is set to a comfortable level before starting your session.

5. Reviewing Data:

- After a session, navigate to the scoring screen to review your performance data.
- Use the onscreen options to scroll through your shot strings and hit factor scores.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery disposal.
- If the timer is no longer functional, consider recycling it at a designated electronic waste facility.

Contact Information for Further Support

For any questions or concerns regarding the PROTIMER COMPETITION ELECTRONICS PROTIMER GREY, please refer to the manufacturer's website or contact their support team for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your PROTIMER COMPETITION ELECTRONICS PROTIMER GREY. Thank you for your attention to these important safety measures.
