ROLL PIN PUNCHES FOR AR-15 - BROWNELLS AR-15/AR-308 ROLLPIN PUNCH KIT

ROLL PIN PUNCHES FOR AR-15   The Brownells AR-15 Roll Pin Punches are precision-engineered tools specifically designed to facilitate the removal and installation of roll pins in AR-15 firearms. Each punch features a spherical tip that centers inside the hollow pin, preventing slippage and ensuring accurate alignment during use.   Description and Features: Durable Construction: Crafted from solid steel, these punches are built to withstand the demands of gunsmithing tasks. Parallel-Ground Shanks: The long, parallel-ground shanks provide stability and control, allowing for precise handling during pin removal or installation. Knurled Handles: A knurled section on each handle enhances grip, ensuring secure and comfortable use. Available Sizes: The Brownells AR-15 Roll Pin Punches are available individually or as a complete 7-piece set, accommodating various pin sizes commonly encountered in AR-15 firearms: #1: 1/16" #2: 5/64" #3: 3/32" #4: 1/8" #5: 5/32" #6: 3/16" #7: 7/32" Specifications: Material: Solid steel Finish: Matte black Handle: Knurled for enhanced grip Customer Insights: Our customers report that the Brownells AR-15 Roll Pin Punches are essential tools for AR-15 maintenance, providing the precision and durability needed for effective roll pin removal and installation. The spherical tip design is particularly appreciated for preventing damage to pins and ensuring accurate alignment during gunsmithing tasks. Incorporating the Brownells AR-15 Roll Pin Punches into your toolkit ensures you have reliable and precise instruments for handling roll pins, enhancing both the efficiency and quality of your firearm maintenance and assembly projects.

ROLL PIN PUNCHES BROWNELLS ROLL PIN PUNCH KIT FOR AR15 Safety Instruction Guide

Introduction

Thank you for choosing the ROLL PIN PUNCHES BROWNELLS ROLL PIN PUNCH KIT FOR AR15. This product is designed to assist you in the safe and effective installation and removal of roll pins without damaging the pins or the surrounding metal. Please read this safety instruction guide carefully to ensure safe use and compliance with EU safety regulations.

General Safety Guidelines

- Always use the roll pin punches according to the instructions provided.
- Inspect the punches for any signs of damage before use. Do not use damaged tools.
- Keep the punches out of reach of children and vulnerable individuals.
- Ensure that the work area is clean, welllit, and free from distractions.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the tool.
- If you encounter any difficulties during use, stop and seek assistance.

Specific Safety Precautions for Use

- **Avoid Pinching:** Be cautious of your fingers when striking the punch, as this can cause injury.
- **Proper Alignment:** Ensure that the punch is properly aligned with the roll pin to prevent bending or breaking.
- **Use Appropriate Force:** Do not apply excessive force when using the punch, as this may lead to tool damage or personal injury.
- **Work on Stable Surface:** Always use the punch on a stable work surface to avoid slips and accidents.
- **Do Not Alter:** Do not modify the punches in any way, as this can compromise safety and effectiveness.

Instructions for Installation and Usage

1. **Select the Correct Punch:**

   - Choose the appropriate size punch based on the roll pin you are working with:
     - #1: 1/16" (1.6mm) x 2¾" (7cm) L
     - #2: 5/64" (2mm) x 3¼" (8.2cm) L
     - #3: 3/32" (2.4mm) x 3½" (9cm) L
     - #4: 1/8" (3.2mm) x 4" (10.2cm) L
     - #6: 3/16" (4.8mm) x 4½" (11.4cm) L

2. **Centering the Punch:**

   - Position the punch over the roll pin. The small raised projection on the punch will help center it automatically.

3. **Striking the Punch:**

   - Use a hammer or mallet to strike the punch gently. Ensure that you are striking straight down to avoid bending the punch.

4. **Removing the Pin:**

- To remove a roll pin, follow the same steps in reverse. Align the punch with the pin and gently strike until the pin is released.

5. **PostUse Care:**

   - After use, clean the punches and store them in a safe place to prevent damage and ensure longevity.

Disposal Instructions

- Dispose of any damaged or wornout punches in accordance with local regulations.
- For the packaging, follow local recycling guidelines to minimize environmental impact.
