Safety Instruction Guide for .17 & .20 Caliber Bore Brush

Introduction

Thank you for choosing the .17 & .20 Caliber Bore Brush by DEWEY. This product is designed for cleaning .177 caliber airguns and .17 caliber rimfire and centerfire guns, as well as .204 Ruger and .20 caliber wildcats. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the bore brush as intended, following the manufacturer's recommendations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- The bristles may cause injury if used improperly.
- Misuse may lead to damage to firearms or equipment.

- **Avoiding Hazards:**

- Always handle the brush with care and avoid direct contact with bristles when cleaning.
- Ensure that firearms are unloaded and pointed in a safe direction before use.
- Use appropriate personal protective equipment, such as safety glasses, to protect your eyes during cleaning.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the bore brush is compatible with your cleaning rod (fits Dewey and Outers small caliber rods).
2. Attach the bore brush to the cleaning rod by screwing it onto the 540 male thread until secure.

- **Usage:**

1. Before using the bore brush, ensure the firearm is completely unloaded and in a safe condition.
2. Insert the bore brush into the bore of the firearm.
3. Push the brush through the bore in a smooth motion, then pull it back out. Repeat as necessary for thorough cleaning.
4. Clean the bore brush after use to maintain its effectiveness and longevity.

Disposal Instructions

- Dispose of the bore brush responsibly. Do not dispose of it in regular household waste if it is damaged or worn out.

- Check local regulations for proper disposal methods for cleaning supplies and tools.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to your retailer or the manufacturer for support.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the .17 & .20 Caliber Bore Brush. Thank you for prioritizing safety while using our products.
