

# ADJUSTABLE ROD GUIDES - DEWEY 10" ROD GUIDE, .24-7MM

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Protects The Chamber On Long And Short Actions

Replaces the bolt and protects the rifle chamber during cleaning. Rubber O-ring seals out bore solvent and eliminates contamination to the action, trigger or magazine. Long-wearing, aluminum rod guide collar with threaded, brass adjustment pin gives quick adjustment to any action length. 10" Rod Guide provides hand clearance under the eyepiece with short and medium length scopes. Requires cleaning rod 10" longer than barrel length. 13" Rod Guide gives additional clearance with long varmint and target scopes. Requires cleaning rod 13" longer than barrel length.

# Safety Instruction Guide for Adjustable Rod Guides DEWEY 10" Rod Guide

## Introduction

Thank you for choosing the Adjustable Rod Guides DEWEY 10" Rod Guide. This product is designed to assist in the cleaning of your rifle while ensuring safety and efficiency. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product if it appears damaged or malfunctioning.
- Regularly check for wear and tear, especially on the rubber Oring and aluminum collar.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the rod guide, ensure that your firearm is unloaded and pointed in a safe direction.
- Avoid using solvents that are not compatible with the materials of the rod guide.
- Use only cleaning rods that are 10" or 13" longer than the barrel length, as specified.
- Do not force the rod guide into the chamber; it should fit snugly without excessive pressure.
- If using with a scope, ensure that there is adequate clearance to prevent damage.
- Always wear appropriate personal protective equipment, such as safety goggles and gloves, when cleaning your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and in a safe position.
- Gather your cleaning supplies, including the rod guide, cleaning rod, and bore solvent.

### 2. Installation of the Rod Guide:

- Select the appropriate rod guide length (10" or 13") based on your scope and firearm.
- Insert the rod guide into the rifle chamber gently.
- Make sure the rubber Oring is seated correctly to create a seal against bore solvent.

### 3. Using the Cleaning Rod:

- Attach the cleaning rod to the rod guide.
- Ensure the cleaning rod is at least 10" or 13" longer than the barrel length.
- Apply bore solvent to the cleaning patch or brush as needed.

### 4. Cleaning Process:

- Push the cleaning rod through the bore using a smooth, steady motion.
- Avoid excessive force; let the cleaning solvent do the work.
- Repeat as necessary until the bore is clean.

## **5. Completion:**

- Remove the cleaning rod and rod guide from the firearm.
- Wipe any excess solvent from the rod guide and store it properly.
- Dispose of used cleaning patches and solvent in accordance with local regulations.

## **Disposal Instructions**

- Dispose of the product in accordance with local environmental regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and rubber components if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Adjustable Rod Guides DEWEY 10" Rod Guide, please refer to the manufacturer's contact information provided with your product packaging. Ensure to keep this guide for future reference.

Thank you for prioritizing safety and proper usage while maintaining your firearm.
