### Finest Professional Gunsmith Quality

FRIEDR. DICK GMBH PROFESSIONAL GUNSMITH NEEDLE FILE SET The FRIEDR. DICK GMBH Professional Gunsmith Needle File Set is a premium collection of 12 precision needle files, meticulously crafted to meet the exacting standards of professional gunsmiths and metalworkers. Each file is designed for detailed metal shaping, ensuring both durability and exceptional performance in fine metalwork applications. Description and Features: This comprehensive set includes 12 assorted file shapes: Barrette, Hand, Hand with round edges, Warding, Crochet, Three Square, Square, Half Round, Round, Knife, Slitting, and Crossing. Each file measures approximately 5-1/2 inches (14 cm) in overall length, with a shank size of 2-3/8 inches (6 cm) by 1/8 inch (3.2 mm) in diameter. The knurled handles provide a non-slip grip, enhancing control during intricate tasks. The set is housed in a heavy-duty, transparent, pocketed roll with a snap closure, offering both protection and easy access to the desired file shape. Specifications: File Shapes Included: Hand Three Square Square Half Round Round Overall Length: 5-1/2 inches (14 cm) Shank Dimensions: 2-3/8 inches (6 cm) x 1/8 inch (3.2 mm) Handle: Knurled for enhanced grip Storage: Heavy-duty, transparent, pocketed roll with snap closure Customer Insights: Customers of the FRIEDR. DICK GMBH Professional Gunsmith Needle File Set commend its high-quality construction, and the variety of file shapes provided. The knurled handles are particularly appreciated for offering a secure grip during detailed work. The durable storage roll is also highlighted for its practicality, protecting the files while allowing for easy selection of the appropriate tool. Incorporating the FRIEDR. DICK GMBH Professional Gunsmith Needle File Set into your toolkit ensures you have a versatile and reliable selection of tools for precise metalworking tasks, enhancing both the quality and efficiency of your projects.

# Professional Gunsmith Needle File Set Safety Instructions

## Introduction

Thank you for choosing the Professional Gunsmith Needle File Set by Friedr. Dick GmbH. This product is designed for precision tasks in gunsmithing and other fine work. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the needle files before use. Do not use if damaged.
- Keep the files away from children and vulnerable individuals.
- Use the files only for their intended purpose.
- Store the files in a safe place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves to protect against sharp edges.
- Ensure a stable working surface to prevent slips and accidents.
- Avoid using excessive force when filing; let the file do the work.
- Do not use the files on materials for which they are not intended.
- Keep your hands and other body parts clear of the filing area to prevent injury.
- Be cautious of metal filings and debris; clean them up promptly to avoid slips or cuts.

## Instructions for Installation and Usage

### 1. Preparation:

- Choose the appropriate needle file shape for your task from the set.
- Ensure your workspace is clean and welllit.

### 2. Using the Needle Files:

- Hold the file by the knurled handle for a secure grip.
- Position the file at the desired angle against the material.
- Apply light and even pressure while moving the file back and forth.
- Avoid pushing down too hard; allow the file to cut naturally.

### 3. After Use:

- Clean the files with a brush to remove any debris.
- Store the files in the provided pocketed roll to protect them from damage.
- Ensure the roll is securely closed to prevent accidental opening.

## Disposal Instructions

- Dispose of any damaged or worn needle files in accordance with local regulations for hazardous waste.
- Do not throw files in regular trash if they are sharp or can cause injury.
