# Safety Instruction Guide for SPECIAL TOOL & CHISEL HANDLES

## Introduction

Thank you for choosing the SPECIAL TOOL & CHISEL HANDLES by FRIEDR. DICK GMBH. This guide provides essential safety instructions to ensure safe and effective use of your chisel handle. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the chisel handle is securely attached to your tool before use.
- Inspect the handle regularly for any signs of wear or damage.
- Use the chisel handle only for its intended purpose to avoid accidents.
- Keep the tool out of reach of children and vulnerable individuals.
- Follow all local regulations and guidelines regarding tool safety.

## Specific Safety Precautions for Use

- Avoid using the chisel handle if it shows any signs of cracks, splinters, or other damage.
- Ensure that your hands are dry and free from any substances that may cause slipping while using the tool.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the chisel handle.
- Do not use excessive force when using the chisel handle, as this may lead to breakage or injury.
- Store the chisel handle in a safe, dry place when not in use to prevent damage and accidents.

## Instructions for Installation and Usage

### 1. Installation

- Select the appropriate tool that is compatible with the chisel handle.
- Align the drilled hole in the chisel handle with the corresponding part of the tool.
- Securely fasten the handle using the metal ferrule, ensuring that it is tightly fitted.

### 2. Usage

- Hold the tool firmly by the handle with both hands for better control.
- Position the chisel at the desired angle against the material you are working on.
- Apply steady, controlled pressure to the tool to achieve the desired effect.
- After use, clean the chisel handle to remove any debris or materials.

## Disposal Instructions

- Dispose of any damaged or worn chisel handles responsibly, following local waste disposal regulations.
- If the product is no longer needed, consider recycling it if possible. Check with local recycling facilities for guidelines.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the SPECIAL TOOL & CHISEL HANDLES, please reach out to the EU-based contact point provided with your product packaging or visit the official website of FRIEDR. DICK

GMBH for more information.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your SPECIAL TOOL & CHISEL HANDLES. Always prioritize safety and report any unsafe conditions or product concerns to the appropriate authorities. Thank you for your attention and safe usage!
