# Safety Instruction Guide for 20 Gauge Snap Caps

## Introduction

Thank you for choosing the 20 Gauge Snap Caps by PRO SHOT PRODUCTS, INC. This guide provides essential safety instructions and information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling of firearms and ammunition.
- Keep the product out of reach of children and unauthorized users.
- Always inspect the product for any signs of damage before use.
- Store the snap caps in a cool, dry place away from direct sunlight.
- Do not use the snap caps for any purpose other than intended.

## Specific Safety Precautions for Use

- Always treat snap caps as if they are live ammunition.
- Never point the snap caps at anyone, even during training or practice.
- Use eye protection when handling firearms with snap caps.
- Do not modify the snap caps in any way.
- Report any incidents or concerns regarding product safety to the appropriate authorities.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the safety is engaged before inserting the snap caps.
- Insert the snap cap into the chamber of the firearm as you would with standard ammunition.
- Close the action of the firearm carefully.

### 2. Usage:

- Use the snap caps for dry firing practice only.
- Follow the firearm manufacturer's guidelines for dry firing.
- After use, remove the snap caps from the firearm immediately.

### 3. PostUse Care:

- Clean the snap caps as needed to remove any debris or residue.
- Inspect the snap caps for wear and replace them if necessary.

## Disposal Instructions

- Dispose of any damaged or worn snap caps according to local regulations.
- Do not throw snap caps in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support
