

MS3® GEN2 SINGLE QD MULTI-MISSION ONE/TWO-POINT RIFLE SLING - MAGPUL MS3 GEN2 SINGLE QD ONE/TWO POINT RIFLE SLING STEALTH GRAY

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Filling the same mission requirement as the standard MS3 Sling, the MS3 Single QD can quickly switch between one-point and two-point configuration. The MS3 Single QD maintains material construction and specifications identical to that of the standard MS3, but features a heavy-duty push-button QD Sling Swivel for the one-point (rear) weapon attachment rather than the Magpul Paraclip™. This modification allows compatibility with QD sling cups commonly found on lower receivers, receiver end plates, and buttstocks. The MS3 Single QD GEN2 incorporates a new low profile quick-adjust Slider which minimizes bulk and allows for secure, yet effortless, sling adjustment.

Webbing length has also been increased for a comfortable fit with all body types and armor configurations. Made in USA and 100% Berry Amendment compliant. NSN: MAG515-COY 1005-01-657-7616

FEATURES THE MS1® SLIDER Rapidly adjustable for length (shorter or longer) with new MS1 Slider Low-profile adjustment Slider for adding or removing sling tension in two-point mode with a single-hand **MULTIPLE CONFIGURATIONS** Designed for easy rapid convertability between one-point and two-point mode Heavy-duty push-button Quick Disconnect sling swivel for one-point attachment Paraclip shackle allows for fast transition between one-point and two-point configuration Cross-Bolt Lock Bar in the Paraclip allows the user to optionally lock its lever closed for extra security **MAGPUL POLYMER AND INDESTRUCTIBLE HARDWARE**

Lightweight heavy-duty reinforced polymer hardware Steel Paraclip lever is case hardened and finished with a QPQ salt bath nitride process for extreme resistance to wear and corrosion **SNAG-FREE, HIGH DURABILITY WEBBING**

Custom 1.25 inch wide nylon webbing material is strong and wear resistant while remaining anti-chaff for user comfort No tails, loops, or other potential snag hazards Colored webbing has Near Infrared (NIR) treatment to reduce IR signature **SPECS** Length, Overall Nominal: 48-60 in. ± 5 in. adjustment Slider Adjustment Range: 10 in. Width, Webbing: 1.25" **SLING MOUNTING REAR** - Works with the Magpul ASAP® for optimal shoulder transitioning in one-point mode as well as with other end plates, receivers, and buttstocks that have a QD sling socket **FRONT** - Compatible with the Magpul RSA®, M-LOK®

Paraclip™ Sling Mount, MSA®, and shotgun Forward Sling Mounts, as well as many snap-hook style sling loops* and standard or QD sling swivels for use in two-point mode * Snap-hook style sling loops with an inner diameter of at least 3/8" are required, but 9/16" and larger will provide full range of motion of the Paraclip

MS3® GEN2 SINGLE QD MULTIMISSION ONE/TWOPONT RIFLE SLING SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MS3® GEN2 Single QD MultiMission One/TwoPoint Rifle Sling by Magpul. This safety instruction guide is designed to ensure the safe and effective use of your sling. Please read this guide carefully to understand the safety precautions, installation instructions, and proper usage of the product.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose as a firearm accessory.
- Always check the sling for wear, damage, or defects before each use.
- Keep the sling out of reach of children and unauthorized users.
- Use the sling in a safe environment, free from hazards that could lead to accidents.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the sling is compatible with your firearm and its mounting points before use.
- **Attachment:** Securely attach the sling to the weapon using the provided QD Sling Swivel and ensure it is locked in place.
- **Adjustment:** Adjust the sling to fit comfortably and securely around your body. Avoid excessive slack that could lead to unintended movement of the firearm.
- **Inspection:** Regularly inspect all attachment points and hardware for signs of wear or damage. Replace any worn or damaged components immediately.
- **Storage:** Store the sling in a dry and cool place when not in use to prevent damage from environmental factors.

Instructions for Installation and Usage

1. Installation:

- Identify the QD sling sockets on your firearm.
- Attach the heavyduty pushbutton QD Sling Swivel to the rear weapon attachment point.
- For the front attachment, connect the sling to the designated mounting point, ensuring compatibility with your firearm's specifications.

2. Adjustment:

- To adjust the length of the sling, use the lowprofile quickadjust Slider.
- Pull the Slider to shorten or lengthen the sling as needed for a secure and comfortable fit.

3. Conversion Between Modes:

- To switch between onepoint and twopoint configurations, detach the sling from the rear attachment point and reattach it to the desired configuration.
- Ensure that the Paraclip is securely locked if using the twopoint mode.

4. Usage:

- When using the sling in onepoint mode, ensure that the weapon is securely held and that the sling does not interfere with your ability to operate the firearm.
- In twopoint mode, adjust the sling tension to facilitate smooth transitions and movements.

Disposal Instructions

- Dispose of the sling and any associated hardware in accordance with local regulations.
- Do not dispose of the sling in regular household waste. Instead, consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please contact the manufacturer's customer service or visit their official website for additional resources.

Thank you for your attention to these safety instructions. Your safety and the safe handling of your firearm are our top priorities.
