BC 6" Target Spots Safety Instructions

Introduction

Thank you for choosing the BC 6" Target Spots. These selfadhesive target spots are designed to enhance your shooting practice by providing highcontrast visibility for better accuracy. This safety instruction guide is designed to ensure your safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Always inspect the target spots for damage before use.
- Store the target spots in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and vulnerable individuals.
- Dispose of any damaged or expired target spots according to local regulations.

Specific Safety Precautions for Use

- Use only on clean, dry surfaces to ensure proper adhesion.
- Avoid using the target spots in wet or humid conditions as this may affect their performance.
- Do not use the target spots on surfaces that may be damaged upon removal.
- Be cautious of sharp objects when handling the target spots to avoid injury.
- Always wear appropriate eye protection when engaging in target practice.

Instructions for Installation and Usage

1. Preparation:

- Choose a clean, dry surface for application.
- Ensure the area is welllit for visibility.

2. Application:

- Peel the backing off one target spot.
- Press the target spot firmly onto the chosen surface.
- Ensure there are no air bubbles for optimal adhesion.

3. Target Practice:

- Use appropriate firearms or archery equipment suitable for your skill level.
- Always follow local laws and regulations regarding target practice.
- Maintain a safe distance from the target area to avoid accidents.

4. PostUsage:

- After practice, check the target spots for any damage or wear.
- Remove any used or damaged target spots carefully to avoid leaving residue.

Disposal Instructions

- Dispose of used or damaged target spots in accordance with local waste management regulations.
- Do not dispose of the product in fire, as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BC 6" Target Spots, please refer to the manufacturer's official contact points provided with the product packaging or on their website.

Conclusion

By following these safety instructions, you can maximize your experience with the BC 6" Target Spots while ensuring a safe environment for yourself and others. Always remain vigilant and prioritize safety during your target practice activities. Thank you for your attention to these important guidelines.
