# Personal Safe with Steel Combination Lock & Security Cable User Safety Instructions

## Introduction

Thank you for choosing the BULLDOG CASES Personal Safe with Steel Combination Lock & Security Cable. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully and keep it for future reference.

## General Safety Guidelines

- Ensure safe use of the personal safe by following all instructions.
- Be aware of potential hazards associated with improper handling or installation.
- Regularly check for updates or recalls related to this product on the EU's Safety Gate platform.
- If you encounter any issues or have questions, do not hesitate to seek assistance.

## Specific Safety Precautions for Use

- Keep the safe out of reach of children to prevent unauthorized access.
- Always ensure that the combination lock is set correctly before closing the safe.
- Do not store flammable or hazardous materials inside the safe.
- Regularly inspect the security cable for any signs of wear or damage before use.
- If the safe is damaged or shows signs of malfunction, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### Installation

1. **Choose a Location:**
  - Select a secure and hidden location for the safe. Ensure it is on a stable surface.
2. **Secure the Safe:**
  - Use the provided security cable to anchor the safe to a fixed object, such as a heavy piece of furniture or a wall bracket.
3. **Check Stability:**
  - Ensure that the safe is stable and cannot be easily moved or tampered with.

### Usage

1. **Setting the Combination:**
  - Follow the manufacturer's instructions to set your personal combination. Make sure to remember this combination or store it in a secure location.
2. **Opening the Safe:**
  - Rotate the dial to the correct combination and pull the handle to open the safe.
3. **Closing the Safe:**
  - After use, close the safe and ensure the combination lock is properly secured.
4. **Regular Maintenance:**
  - Periodically check the lock mechanism and cable for functionality and safety.

## Disposal Instructions

- When disposing of the personal safe, ensure it is done in accordance with local regulations.
- Remove all contents from the safe before disposal.
- If the safe is damaged beyond repair, consider recycling the materials if possible.

## **Contact Information for Further Support**

For any inquiries related to safety, usage, or support, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Your safety is our priority.
