# Target Spots 8" Target 8 Sheet Pack Safety Instruction Guide

## Introduction

Thank you for choosing Birchwood Casey's Target Spots 8" Target 8 Sheet Pack. This product is designed for safe and effective target practice. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with the product.

## General Safety Guidelines

- Ensure the product is used in a safe environment, away from bystanders and pets.
- Always wear appropriate eye and ear protection when engaging in target practice.
- Use only in designated areas where shooting is permitted and safe.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product defects to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the targets in wet or damp conditions, as this may affect adhesion and visibility.
- Ensure that the target is securely attached to a stable surface before shooting.
- Inspect the target for any damage before use. Do not use damaged targets.
- Avoid placing targets in areas where they could be inadvertently shot by others.
- Always follow local laws and regulations regarding the use of firearms and target practice.

## Instructions for Installation and Usage

### 1. Preparation:

- Select a safe and approved area for target practice.
- Gather necessary equipment, including firearms, ammunition, and protective gear.

### 2. Target Installation:

- Remove the backing from the selfadhesive target.
- Firmly press the target onto a clean, dry, and flat surface.
- Ensure the target is securely attached and free from air bubbles.

### 3. Target Usage:

- Position yourself at a safe distance from the target, following recommended shooting distances.
- Aim carefully and shoot at the target, ensuring that no one is in the line of fire.
- After shooting, inspect the target for bullet holes and make note of your performance.

### 4. Repairing the Target:

- Use the included 96 repair pasters to cover bullet holes and extend the life of the target.
- Apply the pasters over the holes firmly to ensure they adhere properly.

## Disposal Instructions

- Dispose of any damaged or worn targets in accordance with local waste disposal regulations.
- Recycle packaging materials where possible.

- Do not incinerate or expose the product to open flames.
