# Bc SightIn Target Safety Instruction Guide

## Introduction

Thank you for choosing the Bc SightIn Target 8 6 She from Birchwood Casey. This product is designed for use by shooters of all skill levels, providing a reliable target for sighting in firearms. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms safely and responsibly.
- Use this target only in appropriate shooting environments, such as designated shooting ranges.
- Ensure that all users are familiar with firearm safety rules.
- Keep the target away from children and vulnerable individuals.
- Regularly check for any product recalls or safety notices on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the target is securely mounted to prevent it from falling or being blown away.
- Use a proper backstop behind the target to catch any stray shots.
- Wear appropriate eye and ear protection while shooting.
- Do not use the target if it shows signs of damage or wear.
- Be aware of your surroundings and ensure that no unauthorized personnel are in the shooting area.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a stable and secure location for mounting the target.
- Ensure the target is placed at a safe distance from the shooter, following local regulations.
- Use the included pasting materials to secure the target to the mounting surface.

### 2. Usage:

- Identify the shooting distance suitable for your firearm and skill level.
- Aim carefully and ensure the area is clear of obstructions before firing.
- After shooting, assess the target for accuracy and make any necessary adjustments to your aim.
- Dispose of any used targets in accordance with local waste disposal regulations.

## Disposal Instructions

- Dispose of used targets in a way that complies with local waste management regulations.
- Avoid burning the targets, as they may contain materials that are harmful when incinerated.
- Ensure that all components of the target are disposed of properly to minimize environmental impact.
