Safety Instruction Guide for Hoppe's .270/7mm PhosphorBronze Rifle Gun Cleaning Brush

Introduction

Thank you for choosing the Hoppe's .270/7mm PhosphorBronze Rifle Gun Cleaning Brush. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read the entire guide carefully before using the cleaning brush.

General Safety Guidelines

- Ensure that the cleaning brush is used only for its intended purpose, which is cleaning rifle bores.
- Keep the cleaning brush out of reach of children and vulnerable individuals.
- Inspect the cleaning brush before each use for any signs of damage or wear. Do not use if damaged.
- Always follow the manufacturer's instructions for use and maintenance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use protective eyewear when cleaning your rifle to prevent any debris from causing eye injury.
- Avoid using excessive force when cleaning to prevent damage to the rifle bore or the brush itself.
- Ensure that the rifle is unloaded and pointed in a safe direction before starting the cleaning process.
- Do not use the cleaning brush on any surface other than the rifle bore.
- Do not leave the cleaning brush unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the rifle is completely unloaded and in a safe position.
- Gather all necessary cleaning supplies, including the Hoppe's .270/7mm PhosphorBronze Rifle Gun Cleaning Brush, cleaning solvent, and a cleaning rod.

2. Using the Cleaning Brush:

- Attach the cleaning brush to the cleaning rod securely.
- Apply a small amount of cleaning solvent to the bristles of the brush.
- Insert the brush into the rifle bore from the chamber end, if possible.
- Gently rotate the brush while pushing it through the bore to effectively clean the surface.
- Pull the brush back through the bore without twisting to avoid damaging the brush or bore.
- Repeat the process as necessary until the bore is clean.

3. PostCleaning:

- After cleaning, inspect the brush for any wear or damage.
- Clean the brush with solvent and allow it to dry completely before storing.
- Store the cleaning brush in a cool, dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the cleaning brush in accordance with local regulations regarding waste disposal.
- Do not incinerate the cleaning brush, as it may contain materials that could release harmful substances.

when burned.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Hoppe's .270/7mm PhosphorBronze Rifle Gun Cleaning Brush, please refer to the product packaging or visit the manufacturer's website for contact details.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective cleaning experience with your Hoppe's cleaning brush.
