# MTM Shotshell Box 25 Round FlipTop 10 12 Gauge up to 3.5in Safety Instructions

## Introduction

Thank you for purchasing the MTM Shotshell Box 25 Round FlipTop 10 12 Gauge up to 3.5in. This product is designed to safely store and transport your ammunition. Please read this safety instruction guide carefully to ensure the proper use and maintenance of the product. Adhering to these guidelines will help you avoid potential hazards and ensure a safe experience.

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store the shotshell box in a cool, dry place away from direct sunlight and moisture.
- Ensure the shotshell box is kept out of reach of children and unauthorized users.
- Regularly check for any signs of damage or wear on the shotshell box.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not overload the shotshell box beyond its intended capacity.
- Ensure the lid is securely closed when transporting the box.
- Avoid exposing the shotshell box to extreme temperatures, which may affect its integrity.
- Do not use the shotshell box for any purpose other than storing and transporting ammunition.
- Inspect the box regularly for any signs of wear, including cracks or broken hinges, and discontinue use if damaged.

## Instructions for Installation and Usage

### 1. Unpacking the Shotshell Box

- Carefully remove the shotshell box from its packaging.
- Inspect the box for any visible damage or defects.

### 2. Loading the Shotshell Box

- Open the fliptop lid of the box.
- Place the shotshells into the designated compartments, ensuring they are seated properly.
- Close the lid securely to prevent any accidental opening.

### 3. Transporting the Shotshell Box

- Always carry the box by its handle.
- Ensure the lid is closed and secured before moving the box.
- Keep the box upright during transport to avoid spills.

### 4. Storing the Shotshell Box

- Store the box in a designated area that is locked and inaccessible to children.
- Ensure the storage area is dry and wellventilated to prevent moisture buildup.

### 5. Cleaning and Maintenance

- Wipe the exterior of the box with a dry cloth to remove dust and debris.
- If necessary, use a mild detergent and water for cleaning, but ensure the box is completely dry before storing ammunition.

## **Disposal Instructions**

- Dispose of the shotshell box according to local regulations for plastic products.
- Do not incinerate the box as it may release harmful chemicals.
- Consider recycling the box if it is no longer usable.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the MTM Shotshell Box, please refer to the product packaging or visit the manufacturer's website for more information.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure your safety and the proper functioning of the MTM Shotshell Box.
