MTM Shotshell Trays 50 Round 12 Gauge Safety Instructions

Introduction

Thank you for choosing the MTM Shotshell Trays 50 Round 12 Gauge. These trays are designed for safe and efficient storage of 12 gauge shotshells, specifically compatible with SF, SD, and S100 models from Chadwick & Trefethen. This safety instruction guide is intended to help you understand the proper use, precautions, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always store the trays in a cool, dry place away from direct sunlight and moisture.
- Ensure that the trays are kept out of reach of children and vulnerable individuals.
- Regularly inspect the trays for any signs of damage or wear.
- Use the trays only for their intended purpose—storing 12 gauge shotshells.
- Follow all local laws and regulations regarding the storage and handling of ammunition.

Specific Safety Precautions for Use

- Do not overload the trays beyond their intended capacity.
- Avoid placing heavy objects on top of the trays to prevent deformation.
- Handle the trays with care to avoid dropping or damaging them.
- Ensure that the shotshells are properly seated in the trays to prevent movement during transport.
- If you notice any defects or issues with the trays, discontinue use immediately and report the issue to the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Place the trays on a flat, stable surface for optimal stability.
- Ensure that the trays are positioned in a secure area away from hightraffic zones.

2. Usage:

- Load the 12 gauge shotshells into the trays, ensuring they fit snugly.
- Check that the trays are properly locked in place if they have a locking mechanism.
- When transporting the trays, hold them securely and avoid abrupt movements.
- Use the trays only in accordance with the manufacturer's specifications.

Disposal Instructions

- Dispose of the trays in accordance with local regulations regarding plastic and ammunition storage products.
- If the trays are damaged or no longer usable, consider recycling them where facilities are available.
- Do not incinerate the trays as they may release harmful substances into the environment.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MTM Shotshell Trays 50 Round 12 Gauge, please consult the manufacturer's contact information, which can be found on the product packaging or the official website.

Conclusion

By following these safety instructions, you can ensure the safe use of the MTM Shotshell Trays 50 Round 12 Gauge. Always prioritize safety and compliance with local regulations when handling and storing ammunition. Thank you for your attention to these important safety guidelines.
