

AR-15/M16 MIL-SPEC BUFFER TUBE - RECEIVER EXTENSION TUBE

[Rifle Parts](#) > [Receiver Parts](#) > [Buffer Tube Parts](#) > [Buffer Tubes](#)

Provides Six-Position Adjustment

M4-style receiver extension tube has six precision-machined notches on the underside for maximum flexibility in setting length-of-pull with adjustable buttstocks. Lets you install a mil-spec stock on a civilian carbine or refit a rifle with an A2-style fixed buttstock with an adjustable M4 stock. Outside diameter of tube is machined approximately .003" oversized for snug, rattle-free fit of stocks designed for mil-spec extensions. Lightly sand interior of stock to get just the right combination of snugness and freedom over movement. Machined from a lightweight aluminum extrusion before hardcoat anodizing with a wear-resistant matte black finish. Rifle conversion also requires a carbine action spring and buffer, available separately.

Attributes

- Name: [RECEIVER EXTENSION TUBE](#)

Safety Instruction Guide for AR15/M16 MILSPEC BUFFER TUBE RECEIVER EXTENSION TUBE

Introduction

Thank you for choosing the AR15/M16 MILSPEC BUFFER TUBE RECEIVER EXTENSION TUBE. This product is designed to enhance the functionality of your firearm, providing a reliable and adjustable platform for your buttstock. It is essential to follow the safety guidelines and instructions outlined in this document to ensure safe and effective use.

General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that you are legally permitted to own and operate this product in your jurisdiction.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the buffer tube and associated components for signs of wear or damage.
- Always use the product in accordance with the manufacturer's instructions and guidelines.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Check the EU's Safety Gate platform regularly for any recall updates related to this product.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the buffer tube.
- Do not modify the buffer tube or its components in any way that could compromise safety.
- Use only milspec stocks designed for this buffer tube to ensure a proper fit and function.
- When adjusting the lengthofpull, do so slowly to avoid any sudden movements that could lead to accidents.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including a wrench and any required screws.

2. Installation Steps

- Remove the existing buffer tube from the firearm by unscrewing it from the receiver.
- Take the AR15/M16 MILSPEC BUFFER TUBE RECEIVER EXTENSION TUBE and align it with the receiver.
- Carefully screw the buffer tube into the receiver until it is securely fastened. Ensure there are no gaps or loose fittings.
- If necessary, lightly sand the interior of the stock to achieve the desired snugness for a rattlefree fit.

3. Adjusting LengthofPull

- Identify the notches on the underside of the buffer tube.
- Adjust the buttstock to the desired length by aligning it with one of the notches.
- Ensure that the buttstock is securely locked in place before use.

4. Final Inspection

- Once installed, perform a final inspection of the buffer tube and stock to ensure everything is secure and functioning correctly.
- Test the movement of the buttstock to ensure it operates smoothly without obstruction.

Disposal Instructions

- Dispose of the buffer tube and any associated components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling or hazardous waste facility if applicable.

Contact Information for Further Support

For any questions, concerns, or additional information regarding the AR15/M16 MILSPEC BUFFER TUBE RECEIVER EXTENSION TUBE, please refer to the manufacturer's support resources. Ensure that you have the product details and any relevant information ready for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15/M16 MILSPEC BUFFER TUBE RECEIVER EXTENSION TUBE. Thank you for your attention to safety and responsible firearm use.
