

# 1911 GUIDE RODS - EGW TWO-PIECE STI TUNGSTEN ROD

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

## Weight-Adding Tungsten Or Tough Stainless Steel!

5" One Piece Guide Rod: Fits flush with the slide so you can turn the bushing to disassemble the gun. This guide rod also features a takedown hole. This tungsten guide rod should be checked by a gunsmith familiar with the 1911 design. It may require minor fitting to contact the frame evenly. Failure to do so may lead to premature wear and/or breakage which will not be covered under warranty. The head of the guide rod has smooth beveled edges to make for a seamless look.

# Safety Instruction Guide for 1911 GUIDE RODS EGW TWOPIECE STI TUNGSTEN ROD

## Introduction

Thank you for choosing the 1911 GUIDE RODS EGW TWOPIECE STI TUNGSTEN ROD. This guide rod is designed to enhance the performance of your 1911 firearm. To ensure safe usage and optimal performance, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is installed and maintained by a qualified gunsmith familiar with the 1911 design.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and guide rod in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the guide rod for any signs of wear or damage. If any issues are found, consult a gunsmith immediately.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- This guide rod is intended for use with 1911 Auto or STI Government length slides with 5" barrels.
- The guide rod may require minor fitting to ensure proper contact with the frame. Failure to achieve this may lead to premature wear or breakage, which is not covered under warranty.
- Do not attempt to modify the guide rod without professional assistance.
- Avoid using the guide rod with any firearm other than the specified models, as this may pose safety risks.
- Always wear appropriate eye and ear protection when operating your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the slide from the frame according to the manufacturer's instructions.
- Insert the guide rod into the slide, ensuring that it fits flush with the slide.
- Check for the takedown hole to ensure proper alignment.
- Reassemble the firearm by securing the slide back onto the frame.
- Confirm that the guide rod is properly seated and does not interfere with the operation of the firearm.

### 2. Usage:

- Always follow standard safety protocols when handling and operating your firearm.
- Regularly check the guide rod for signs of wear or damage during routine maintenance.
- If you notice any issues, consult a qualified gunsmith before further use.

## Disposal Instructions

- When disposing of the guide rod, follow local regulations regarding the disposal of metal products.
- If the guide rod is damaged or no longer usable, consider recycling it at a local metal recycling facility.

## **Contact Information for Further Support**

- For any safety inquiries or concerns regarding the guide rod, please consult a qualified gunsmith or contact the manufacturer directly.

By following these guidelines, you can ensure the safe and effective use of your 1911 GUIDE RODS EGW TWOPIECE STI TUNGSTEN ROD. Thank you for prioritizing safety and responsible firearm usage.
