

# 1911 HEAVY DUTY EXTRACTOR - EGW 1911 HD EXTRACTOR, .45 ACP

[Handgun Parts](#) > [Action Parts](#) > [Extractor Parts](#) > [Extractors](#)

## Updated Design For Reliable Extraction & Long Service Life

Redesigned, ruggedly built extractor uses the tighter tolerances and improved geometry possible with 21st century materials and manufacturing technology to deliver outstanding reliability, strength, and durability. Proprietary steel alloy is precision machined with the latest CNC equipment, then vacuum heat-treated to Rc 49-51 for superb strength and tension-retaining properties. All inside corners are radiused to eliminate the sharp 90° corners where failures often occur. Claw is wider than factory specification and undercut and positioned closer to the bolt face for a tighter grip on the case rim. Body is longer, so it can be custom fitted to your slide, and nearly three times as thick as factory original for greater strength.

## Attributes

- Name: [EGW 1911 HD EXTRACTOR, .45 ACP](#)
- Manufacturer: [EGW](#)
- Product no.: 296000092
- Mfr. No.: 10312
- Caliber: 45 Caliber (.451-.454)
- Finish: Blued
- Model: Commander, Government, Officers
- Weapon type: 1911
- Delivery weight: 0.005kg
- Shipping height: 5mm
- Shipping width: 81mm
- Shipping length: 119mm
- UPC: 841370100712

## Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for 1911 Heavy Duty Extractor

## Introduction

Thank you for choosing the 1911 Heavy Duty Extractor by EGW. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before installing and using the extractor.

## General Safety Guidelines

- Ensure that the extractor is used only in compatible firearms, specifically Series 70 1911 Auto pistols, .45 ACP or .38 Super/9mm.
- Always handle firearms safely and responsibly. Follow all local laws and regulations regarding firearm usage.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the extractor for signs of wear or damage. Do not use if it appears compromised.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Check for any recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always wear safety glasses when handling or working with firearms to protect your eyes from debris.
- Ensure that the firearm is unloaded before installing or adjusting the extractor.
- Only use tools that are appropriate for the installation process to avoid damaging the extractor or the firearm.
- Do not attempt to modify the extractor or any other firearm components. Modifications may lead to unsafe conditions.
- If you experience any malfunctions or issues while using the extractor, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch and hammer, and a torque wrench if required.

### 2. Installation:

- Remove the old extractor from the firearm by carefully driving out the retaining pin using a punch.
- Align the new 1911 Heavy Duty Extractor with the bolt face, ensuring it is properly seated.
- Insert the retaining pin to secure the extractor in place. Ensure it is flush with the surface.
- Verify that the claw of the extractor is positioned correctly for optimal case rim grip.

### 3. Testing:

- Once installed, conduct a function check with dummy rounds to ensure proper extraction and ejection.
- Inspect the extractor for any signs of misalignment or interference during the function check.

### 4. Usage:

- Regularly clean and maintain the extractor as part of your firearm maintenance routine.
- Monitor the extractor's performance during use. If issues arise, consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of the extractor in accordance with local regulations regarding metal waste.
- Do not dispose of the extractor in regular household waste. Check with local authorities for recycling or disposal options.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the 1911 Heavy Duty Extractor, please consult your local firearms dealer or a qualified gunsmith. Always ensure that you are following the most recent safety guidelines and practices.

Thank you for prioritizing safety and compliance while using the 1911 Heavy Duty Extractor. Your responsible handling of this product contributes to a safer environment for all firearm users.
