

# 1911 HEAVY DUTY THUMB SAFETY - EGW HD THUMB SAFETY, BLUED

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

## Oversized Thumb Pad For Fast, Positive Contact

Extended thumb safety is precision machined from solid steel barstock using a state-of-the-art, four-axis CNC cutting station to ensure outstanding strength and durability. The deeply grooved, oversized pad is ergonomically shaped to ensure natural, comfortable thumb contact and provide maximum leverage for quick, positive safety engagement and disengagement under stressful conditions. Edges are beveled or rounded to prevent abrading of the finger or snagging on clothing during the draw from concealment.

## Attributes

# Safety Instruction Guide for 1911 HEAVY DUTY THUMB SAFETY EGW HD THUMB SAFETY, BLUED

## Introduction

Thank you for choosing the 1911 Heavy Duty Thumb Safety. This product is designed to enhance the safety and usability of your firearm. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations. Your safety and the safety of others is our top priority.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the thumb safety is fully engaged when the firearm is not in use.
- Regularly inspect the thumb safety for any signs of wear or damage.
- Do not modify or alter the thumb safety in any way.
- Store your firearm in a secure location, away from unauthorized access, particularly by children.
- Follow all local laws and regulations regarding firearm safety and usage.

## Specific Safety Precautions for Use

- Ensure that the thumb safety is installed correctly before using the firearm.
- Always check the functionality of the thumb safety before each use.
- Use the thumb safety only as intended; do not force or misuse it.
- Be aware of your surroundings and ensure that the area is safe before engaging or disengaging the safety.
- If you experience any malfunctions or issues with the thumb safety, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Safety:** If applicable, carefully remove the existing thumb safety according to the manufacturer's instructions.
3. **Install the New Thumb Safety:**
  - Align the thumb safety with the safety hole on the firearm.
  - Insert the thumb safety and ensure it fits securely.
  - If necessary, consult a qualified gunsmith for proper fitting.
4. **Test the Safety:**
  - After installation, test the thumb safety by engaging and disengaging it several times.
  - Ensure that it operates smoothly without any resistance.

### Usage

- To engage the thumb safety, push it down with your thumb until it clicks into place.
- To disengage the thumb safety, push it up with your thumb until it clicks.
- Always ensure that the thumb safety is engaged when the firearm is not in use.

## Disposal Instructions

- Dispose of the thumb safety in accordance with local regulations for metal and firearm parts.
- Do not throw it in regular household waste.

- If the product is damaged or no longer functional, consult local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 1911 Heavy Duty Thumb Safety, please reach out to the manufacturer or consult a qualified gunsmith. Always prioritize safety and compliance with local laws.

By following these safety instructions, you can ensure the safe and effective use of your 1911 Heavy Duty Thumb Safety. Thank you for prioritizing safety in your firearm practices.
