

# 1911 BARREL LINK KIT - EGW #1 1911 AUTO BARREL LINK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrel Link Parts](#) > [Barrel Links](#)

## Stress-Proof Links To Fit Most Barrel/Frame Combinations

Set of six, stress-proof, hardened chrome-moly steel barrel links helps correct most barrel-to-frame fit and feeding problems on 1911 autos. Includes the following link sizes (measured center-to-center from barrel link pin hole to slide stop hole): factory standard #3 (.278"), as well as #0 (-.015"), #1 (-.010"), #2 (-.005"), #4 (+.005"), and #5 (+.010"). #0 is for Accurail-equipped guns with rails that have been moved down. #1-#5 also available separately.

# Safety Instruction Guide for 1911 Barrel Link Kit EGW #1

## Introduction

Thank you for choosing the 1911 Barrel Link Kit EGW #1. This kit is designed to enhance the performance and reliability of your 1911 auto. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded before performing any modifications.
- Ensure that the workspace is clean and free from distractions while installing the barrel link kit.
- Use appropriate safety gear, such as safety glasses and gloves, during installation.
- Keep the product out of reach of children and unauthorized individuals.
- If you experience any issues or have concerns about the product, do not hesitate to seek professional assistance.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction of the firearm.
- Using incorrect link sizes can affect the barrel to frame fit and feeding reliability.

### • Instructions for Avoiding Hazards:

- Always doublecheck the link size before installation to ensure compatibility with your firearm.
- Follow the installation instructions carefully to prevent any mishaps.
- Regularly inspect the barrel links for wear and replace them as necessary.

### • Age Specific Warnings:

- This product is intended for use by adults only. Keep it away from children.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded.
- Gather necessary tools, including a punch and hammer.
- Select the appropriate barrel link size from the kit based on your firearm's specifications.

### 2. Installation Steps:

- Remove the existing barrel link from your firearm using a punch and hammer.
- Align the new barrel link with the barrel link pin hole and slide stop hole.
- Gently tap the new barrel link into place using the punch and hammer.
- Ensure that the link is secure and properly aligned.

### 3. Post Installation:

- Reassemble your firearm and conduct a function check to ensure proper operation.

- Check for any unusual sounds or movements during operation and address any issues immediately.

## **Disposal Instructions**

- Dispose of any old or damaged barrel links in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 1911 Barrel Link Kit EGW #1, please contact the manufacturer directly. Ensure you have the product information ready for reference.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 1911 Barrel Link Kit EGW #1. Thank you for your attention to safety.
