# OPTIMA/JPOINT HANDGUN MOUNTS OPTIMA/JP MOUNT FOR BOMAR Safety Instruction Guide

## Introduction

Thank you for choosing the EGW Optima/JPoint/Delta Point Mount. This guide provides important safety instructions and guidelines for the proper use and installation of your mount. Please read this guide carefully to ensure safe operation and compliance with EU safety regulations.

## General Safety Guidelines

- Ensure that you are familiar with your firearm and its operation before using the mount.
- Always handle firearms with care and in accordance with local laws and regulations.
- Inspect the mount and firearm for any signs of damage before installation.
- Keep the mounting area clean and free from distractions during installation.
- Store the mount and firearm securely when not in use, out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the mount with compatible redidot sights: Optima, JPoint, or Delta Point.
- Do not attempt to modify the mount or firearm in any way that could affect safety or functionality.
- Ensure the mount is securely attached before using the firearm.
- Do not exceed the manufacturer's recommended specifications for mounting hardware.
- Always wear appropriate safety gear, including eye protection, when using firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Gather the necessary tools and mounting hardware included with your mount.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Removing the Rear Sight

- Carefully remove the rear sight from your firearm according to the manufacturer's instructions.
- Keep the removed parts in a safe location for future use.

### 3. Installing the EGW Mount

- Align the EGW mount with the mounting holes on your firearm.
- Secure the mount using the provided mounting hardware, ensuring it is tightly fastened.
- Doublecheck that the mount is secure before proceeding.

### 4. Attaching the RedDot Sight

- Follow the specific instructions for your redidot sight to attach it to the EGW mount.
- Ensure the sight is firmly attached and properly aligned for optimal performance.

### 5. Final Inspection

- Inspect the installation to confirm that all components are secure and functioning correctly.
- Test the firearm in a safe environment to ensure proper operation.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the mount becomes damaged or is no longer in use, dispose of it responsibly to prevent environmental harm. Consider recycling where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the EGW Optima/JPoint/Delta Point Mount, please refer to the manufacturer's contact information provided in the product packaging or on the manufacturer's website.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your EGW Optima/JPoint/Delta Point Mount. Always prioritize safety and compliance with local regulations while handling firearms. Thank you for your attention to these important guidelines.
